 - E-mail: frank.lauria@hp.com

Gartner Research

...is now available to ALL Stony Brook University students, Faculty and Staff in a limited fashion

See www.stonybrook.edu/gartner

Windows 8 Rollout delay

The Original plan was to roll out Windows 8 beginning in January 2014

Windows 8 forces the use of IE10, and some of our systems are not compatible (i.e., Peoplesoft, SUNY RF, Nolij, etc)

The new plan is to begin rollout in July 2014

VMWare Academic Licences

<http://it.stonybrook.edu/software/title/vmware>

Next Meeting -

- Call for Presenters!
- Date - tba January 2014
