EDUCATION

- Ph.D. Developmental Psychology
University of Notre Dame, Notre Dame, Indiana
Dissertation Title: *"A Multi-Perspective Examination of Stress in Later Life."*
Dissertation Advisor: Cindy S. Bergeman
2009
- M.A. Developmental Psychology
University of Notre Dame, Notre Dame, Indiana
Thesis Title: *"Exploring Social Support in Adaptation to Widowhood: A Mixed Methods Study."*
Thesis Advisor: Cindy S. Bergeman
2006
- B.S. Psychology
Viterbo University, LaCrosse, Wisconsin
Summa cum Laude
2003

EXPERIENCE

- Associate Professor Stony Brook University
Department of Psychology
2019-present
- Assistant Professor Stony Brook University
Department of Psychology
2016-2019
- Collaborator Member Moffitt Cancer Center Health Outcomes & Behavior Program
2015-2016
- Assistant Professor University of South Florida
School of Aging Studies
2013-2016
- Research Associate/
Postdoctoral Fellow Pennsylvania State University
Mentor: M. J. Sliwinski
2011-2013
- Postdoctoral Fellow Georgia Institute of Technology
Mentor: F. Blanchard Fields
2009-2011
- Research Assistant University of California, Irvine
Mentor: R. C. Silver
2005-2009
- Research Assistant University of Notre Dame

Mentor: C. S. Bergeman
2003-2009

Research Assistant Viterbo University
Healthy Families Evaluation Project,
Mentors: R. E. Morehouse and P. S. Maykut
2003

LEADERSHIP ROLES, HONORS, & TRAINING

Area Head Stony Brook University
Social & Health Psychology
2022-present

2022-2023 Emerging Leaders program
Provost Office of Faculty Affairs
Stony Brook University

2019-2022 Leadership Institute Fellow
Society of Behavioral Medicine

2017-present Founding Member
Stony Brook Aging Interest Network (SBAIN)

RESEARCH GRANTS & HONORS

Ongoing (Current) Grants

2021- Emmy Noether Programme Travel costs as visiting researcher: 6,000€
2026 Deutsche Forschungsgemeinschaft
Adaptation to the Transition out of Upper Secondary Education
Role: International Collaboration Partner/Visiting Researcher
(PI: Andreas Neubauer)

11/01/20- AACSF-20-682140 \$154,285
10/31/23 Alzheimer's Association Clinician Scientist Fellowship to Promote Diversity
Biological and Emotional Mechanisms: Brain Health in Latinos at Mid-Life
Role: Mentor (PI: Erica Diminich)

09/15/19- NIH R01 AG067621 \$8,000,000(SBU: \$1,055,152)
06/30/24 National Institute on Aging (NIA)
Evaluation of Multivariate Causal Factors Linking the Flynn Effect to Declining Dementia Trends and Cognitive Aging
Role: Co-I (site PI: Sean Clouston; PI: Scott Hofer)

02/01/19- NIH 1 R01 AG060933-01 \$2,189,890
11/30/23 National Institute on Aging (NIA)
The Role of Personality in Cognitive Aging and Dementia.
Role: PI (SBU co-Is: Nicholas Eaton, Sean Clouston; Northwestern co-Is: Daniel Mroczek, Eileen Graham; Einstein co-Is: Mindy Katz, Richard Lipton, Cuiling Wang)

04/17/19- NIH R01 MH119310 \$3,105,877
01/31/23 National Institute on Child Health and Development (NICHD)
Attachment and Biobehavioral Catch-up with Child Protective Services-Involved Parents: Testing Effectiveness in the Community.
Role: Co-I (MPIs: Kristin Bernard, Mary Dozier)

08/01/19- 06/30/24	NIH 2 R01 MH069942-15 (renewal) National Institute on Mental Health (NIMH) <i>Temperamental Emotionality in Preschoolers and Depression Risk.</i> Role: Co-I (PI: Daniel Klein)	\$3,907,460
-----------------------	---	-------------

Proposals Under Review

Submitted 06/01/23	R01 National Institutes of Health <i>Longitudinal changes in essential workers who developed neurological symptoms of post-acute sequelae of COVID-19</i> Role: Co-I (PI: Sean Clouston, SBU Public Health)	
Submitted 05/02/23	P20 National Institute on Mental Health <i>Stony Brook University Center for Climate Change and Mental Health</i> Role: Co-I (PI: Jaymie Meliker, SBU Public Health)	
Submitted 04/08/23	F31 National Institute on Mental Health <i>Negative social evaluation, immune response, and social interactions in daily life</i> Role: Mentor (PI: Rachel Ferry/Brady Nelson, SBU Psychology)	
Submitted 02/12/23	K01 National Institute on Aging <i>Medication adherence, glucose affect, and cognition in daily life.</i> Role: Mentor (PI: Claire Hoogendorn, Albert Einstein College of Medicine)	

Completed Grants (NCE: No Cost Extension granted by NIH)

09/07/22- 11/30/22	National Institute on Aging Administrative Supplement for NIH R01 AG060933, <i>The role of personality in cognitive aging and dementia</i> Role: PI	\$114,794
09/01/22- 02/28/23	Diana Jacobs Kalman/AFAR Scholarship for Research in the Biology of Aging <i>Using Biological Age to Predict Cognitive Performance</i> Role: Faculty Sponsor (PI: Daisy Zavala)	\$5,000
06/03/19- 12/03/21 Extension for COVID	Office of Vice President of Research Seed Grant Program Stony Brook University Research Foundation <i>Integrating Epigenomics with Life Stress Measurement to Predict Accelerated Aging</i> Role: PI (co-Is: Krishna Veeramah, Kristin Bernard)	\$65,000
07/01/19- 06/30/20 Extension For COVID	Presidential Mini-Grant for Departmental Diversity Stony Brook University <i>Forging Intergenerational Links through Life Story Sharing</i> Role: Co-I (PI: Lauren Richmond, co-Is: Sheri Levy, Suparna Rajaram)	\$3,000
03/13/20- 06/13/20	RFP #20-03-COVID. Proposal: COVID202026 SUNY Research Seed Grant <i>Tracking the Sociolinguistic Base Rate of COVID-19 By Community, By Day</i> Role: Co-I (PI: H. Andrew Schwartz; co-I: Sean Clouston)	\$7,500
09/15/18-	NIH UH3 AG05167	SBU: \$23,076

06/30/20	National Institutes of Health Common Fund Science of Behavior Change <i>Everyday Stress Response Targets in the Science of Behavior Change.</i> Role: Co-I (MPIs: Joshua Smyth, David Almeida)	
08/30/20- 11/30/20	National Institute on Aging Administrative Supplement for NIH R01 AG060933, <i>The role of personality in cognitive aging and dementia</i> Role: PI (co-I: H.A. Schwartz)	\$110,541
06/05/18- 09/01/18	SBU Center for the Study of Inequalities, Social Justice, and Policy Pop-Up Grant for graduate students <i>Engaging Minority Communities in Research to Eliminate Health Disparities.</i> Role: Mentor (PI: Giancarlo Pasquini, graduate student)	\$1000
09/30/15- 06/30/18	NIH UH2 AG052167 National Institutes of Health Common Fund Science of Behavior Change <i>Everyday Stress Response Targets in the Science of Behavior Change.</i> Role: Co-I (MPIs: David Almeida, Joshua Smyth)	SBU: \$79,245
07/02/15- 06/30/17 NCE-2018	NIH R03 CA191712-01A1 National Cancer Institute (NCI) <i>Everyday Cognitive Functioning among Breast Cancer Survivors.</i> Role: PI (switched to MPI with Brent Small to complete data collection in Tampa upon move to SBU)	\$100,000
07/08/16- 06/01/17	NIH Stress Measurement Network Pilot Grant Program <i>Cumulative Stress across the Lifespan as a Mechanism for SES-Related Health Disparities.</i> Role: PI	\$5,000
09/01/15- 04/30/17 NCE-2018	NIH R03 AG050798-01 National Institute on Aging (NIA) <i>Chronic Stress as a Pathway to Health Disparities.</i> Role: PI	\$100,000
12/30/14- 12/29/15	American Cancer Society-Institutional Research Grant Moffitt Cancer Center. <i>Daily Cognitive Functioning among Cancer Survivors.</i> Role: PI	\$30,000
04/15	USF Faculty International Travel Grant PTSD project meeting and Bayesian Latent Growth Mixture Modeling workshop (Utrecht University) and International Convention of Psychological Science symposium: Estimating PTSD-Trajectories following Trauma: Methodological and Clinical Applications (Amsterdam) Role: PI	\$2096
08/20/13- 08/19/14	Pennsylvania State University Social Science Research Institute Grant <i>Ecological Momentary Assessment Stress Question Response Formats: An Experimental Investigation.</i> Role: Co-I (PI: Kristin Heron)	\$4,864
07/09	American Psychological Association	\$300

APA Travel Grant for Advanced Training Institute: Exploratory Data Mining in Behavioral Research

Role: PI

- | | | |
|-------------------|--|----------|
| 07/08 | RAND
Summer Institute Scholarship to attend Mini-Medical School for Social Scientists and Workshop on Aging
Role: PI | \$500 |
| 2007-2008 | University of Notre Dame
Faculty-Student Collaboration in the Social Sciences Pilot Funds
<i>Understanding Stress in Old Age: Assessment, Physiology, & Meaning.</i>
Role: MPI (co-MPI: Cindy Bergeman) | \$15,000 |
| 06/01/05-08/01/05 | NIH Summer Fellowship
National Institute of Mental Health (NIMH) Summer Training in Aging Research Topics – Mental Health (START-MH) Fellowship
Role: PI (Mentor: Roxane Cohen Silver) | \$6,250 |
| 2005-2007 | University of Notre Dame
Robert E. Gordon Conference Presentation Grants
Role: PI | |
| 2001 | ASIANetwork Freeman Foundation
Student–Faculty Fellows Grant for Collaborative Research in Asia
<i>Cross-Cultural Study of Development with Tibetan Refugee and U.S. Children.</i>
Role: MPI (coPIs: Ryan Nelson, Jennifer Holtz; mentor: Pamela Maykut) | |

Proposals Submitted, Not Funded

- | | | |
|--------------------------------|---|----------------|
| Submitted
07/01/22 | Resources to Promote Coordination and Collaboration across Deeply Phenotyped Longitudinal Behavioral and Social Studies of Aging (U24 Clinical Trial Not Allowed)
<i>Consortium for Longitudinal behavioral and Social Science data Integration and Coordination (CLASSIC)</i>
Total Annual Costs \$1,600,00
Role: MPI (with MPI Shevaun Neupert, NC State [submitting institution]; cols: Eileen Kranz Graham, Daniel Mroczek, Emily Griffith, Mette Peters, Ann Novakowski)
NOTE: No proposals were funded for this call. | |
| 04/01/22-03/31/27
Submitted | PAR-19-157 (Bioengineering Research Partnerships – U01 Clinical Trial Required)
National Institute on Aging (NIA)
<i>Partnership to Engineer Resilience through Telehealth, Artificial Intelligence and Networked Systems</i>
Role: Co-I (MPIs: Robert Stevens [Johns Hopkins], Ashfaq Khokhar [Iowa State]) | SBU: \$338,325 |
| Submitted
04/17/20 | Office of Vice President of Research COVID-19 Seed Grant Program
Stony Brook University Research Foundation
<i>Developing The COVID-19 Community Distress Tracker: Large-Scale Daily Assessment of the Impacts of Coronavirus Across All Counties of the US.</i>
Role: Co-I (PI: H. Andrew Schwartz, Co-Is: J. Eichstaedt, Sean Clouston) | \$41,896 |
| Submitted
02/05/19 | NIH R01 AG061104-01
National Institute on Aging (NIA)
<i>The Influence of Personality Development and Engagement in Cognitive Aging and Dementia.</i>
Role: Consultant (PI: Eileen Graham) | |

Submitted 07/05/19	NIH R01 CA240304-01A1 National Cancer Institute <i>Ecological Momentary Assessment of Cancer-Associated Cognitive Decline in Colorectal Cancer Patients.</i> Role: Co-I (PI: Brent Small)	SBU: \$136,109
Submitted 10/01/18	NIH R01 National Cancer Institute <i>Ecological Momentary Assessment of Cancer-Associated Cognitive Decline in Colorectal Cancer Patients.</i> Role: Co-I (PI: Brent Small)	SBU: \$136,109
Submitted 11/30/17	Russell Sage Foundation Letter of Intent <i>A Test of the Psychological Appraisal of Transitions to and from Caregiving on Health Model.</i> Role: Co-I (PI: Sheri Levy)	\$146,000
Submitted 10/12/16 & 10/05/17	NIH R01 CA218371 National Cancer Institute <i>Ecological momentary assessment of cognitive performance in colorectal patients treated with chemotherapy.</i> Role: Co-I (MPIs: Brent Small & Heather Jim)	\$3,451,502
Submitted 02/28/14	NIH R03 CA191712 National Cancer Institute (NCI) <i>Everyday Cognitive Functioning among Breast Cancer Survivors.</i> Role: PI	\$100,000
Submitted 09/30/13 & 04/14/14	American Cancer Society-Institutional Research Grant Moffitt Cancer Center <i>Daily Cognitive Functioning among Cancer Survivors.</i> Role: PI	\$30,000
Submitted 11/02/11	NIH R03 AG042973 National Institute on Aging (NIA) <i>Distinguishing Time-Varying from Dispositional Effects of Daily Stress</i> Role: PI	\$100,000
Submitted 04/06/07 & 12/11/07	NIH NRSA F31 AG031634 National Institute on Aging (NIA) <i>Understanding Stress in Old Age: Physiology, Assessment, and Meaning</i> Role: PI (Mentor: Cindy Bergeman)	
Submitted 2004	NIH Summer Fellowship National Institute of Mental Health (NIMH) Summer Training in Aging Research Topics – Mental Health (START-MH) Fellowship Role: PI (Mentor: Roxane Cohen Silver)	\$6,250

INVITED TALKS

- Scott, S. B.** (2023, January). Time as Context for Understanding Adult Development and Aging. Invited talk to Department of Human Development and Family Studies. Pennsylvania State University, University Park, PA.
- Scott, S. B.** (2021, February). (Re)considering the Roles of Time, LifeCourse, and Place in Aging Research. Invited talk to National Institute on Aging Division of Behavioral and Social Research workshop on Deeply Phenotyped Longitudinal Studies of Aging: Opportunities for Coordination and Collaboration. Remote.
- Scott, S. B.** (2020, March). Time as Context. Invited talk to University Research Priority Program: Dynamics of Healthy Aging, University of Zurich, Zurich, Switzerland.
- Scott, S. B.** (2020, February). Time as Context. Invited talk to Center for Lifespan Developmental Science, Institut für Psychologie, Friedrich Schiller University, Jena, Germany.
- Scott, S. B.** (2019, January). Lessons learned from the Effects of Stress on Cognitive Aging, Physiology, and Emotion (ESCAPE) Study. Invited talk to be presented at workshop on Acculturative Stress, Discrimination, and Cognitive Performance at the 17th Annual Mild Cognitive Impairment (MCI) Symposium Special Topic Workshop, Miami Beach, FL.
- Scott, S. B.** (2018, April). Time as Context. Invited talk to Department of Biobehavioral Health, Pennsylvania State University, University Park, PA.
- Scott, S. B.** (2018, February). Adult development & aging in context: Time & place. Invited talk to Basic and Applied Psychology Program, City University of New York, New York, NY.
- Scott, S. B.** (2017, November). Adult development & aging in context: Time & place. Invited talk to Social Psychology Area, University of Connecticut Department of Psychology, Storrs, CT.
- Scott, S. B.** (2017, October). Adult development & aging in context. Invited talk to Psy Chi Colloquium, Adelphi University Department of Psychology, Garden City, NY.
- Scott, S. B.** (2017, September). Adult development & aging in context. Invited talk to Social/Health Brownbag, Stony Brook University Department of Psychology, Stony Brook, NY.

- Scott, S. B.** (2017, March). Adult development & aging in context: Life history, neighborhood environments, and daily experiences. Invited talk to Grand Rounds, Stony Brook University Department of Psychiatry, Stony Brook, NY.
- Scott, S. B.** (2015, December). A lifespan perspective on stress, emotions, and health. Invited talk to Department of Psychology, Stony Brook University, Stony Brook, NY.
- Scott, S. B.** (2015, August). Daily cognitive functioning among breast cancer survivors study. Invited talk to Health Outcomes and Behavior Group, H. Lee Moffitt Cancer Center, Tampa, FL.
- Scott, S. B.** (2013, January). Differences in response to stress: Asking targeted questions. Invited talk to School of Aging Studies, University of South Florida, Tampa, FL.
- Scott, S. B.** (2013, January). Differences in response to stress: Asking targeted questions. Invited talk to Department of Human Development and Family Studies, Iowa State University, Ames, IA.
- Scott, S. B.** (2011, November). A very brief overview of qualitative and mixed methods. Invited talk to Department of Psychology Didactics Group, St. Jude Children's Research Hospital, Memphis, TN.
- Scott, S. B.** (2011, March). Stress and emotional reactivity in everyday life. Invited talk at Memorial Conference for Fredda Blanchard-Fields, Atlanta, GA.
- Scott, S. B.** (2010, July). Sorting out perceived stress: A CART analysis. Invited talk at International Colloquium on Promises and Perils of Exploratory Data Mining for Predicting Risk, Chateau de la Bretesche, Missillac, France.
- Scott, S. B.** (2006, October). Lifespan perspectives on death: Cross-sectional, longitudinal, and qualitative findings. Invited speaker at Portage High School Psychology Club College Fair, Portage, Michigan.

CONFERENCE PRESENTATIONS (*undergraduate student author, **graduate student author, ***postdoctoral author)

- Corley, S.**, Ferguson, G.**, Zavala, D.**, & **Scott, S. B.** (2023, June) Stress Related Negative Affect in Older Adults: The Role of Trait Neuroticism. Poster session presented at the meeting of the Society for Ambulatory Assessment, Amsterdam, Netherlands.
- Ferguson, G.**, Zavala, D.**, Corley, S.**, & **Scott, S. B.** (2023, November) Age and Stressor-Related Negative Affect in Older Adults: Cross-Sectional and Longitudinal Evidence. Poster session presented at the annual scientific meeting of the Gerontological Society of America, Tampa, FL.
- Ferguson, G.**, Romano, K.**, Heron, K., & **Scott, S. B.** (2023, March) Use of Conventional Affect Terms Among Undergraduates. Poster presented at the annual meeting of the Society For Affective Science, Long Beach, CA.
- Tometich, D.B.***, Brick, T.R., Sliwinski, M.J., Galligan, A.J., Martinez-Tyson, D., **Scott, S.B.**, Jim, H.S.L., Small, B.J. (2023, March). Using ecological momentary assessment to overcome the limitations of neuropsychological testing for detecting cancer-related cognitive impairment. Annual Meeting of the American Psychosocial Oncology Society, Portland, OR.

- Pasquini, G.** , Ferguson, G.** , Sliwinski, M. J., & **Scott, S. B.** (2022, November) Measuring personality in daily life: Evidence from an age-heterogeneous adult sample. Poster session presented at the annual scientific meeting of the Gerontological Society of America, Indianapolis, IN.
- Scott, S. B.**, Shawver, Z., Clouston, S. A. P., Zhang, Y., Voll, S., O'Keefe, P., Rodgers, J., & Hofer, S. (2022, November). Cohort effects in old-age cognitive aging: A longitudinal study of contextual factors in 140,030 older adults. Paper presented at annual meeting of Gerontological Society of America.
- Van Bogart, K.** , Engeland, C. E., Harrington, K. D., Knight, E., Sliwinski, M. J., Zhaoyang, R., **Scott, S. B.**, & Graham-Engeland, J. E. (2022, April). The Association Between Loneliness and Inflammation: Findings from an Older Adult Sample. Paper presented to annual Society of Behavioral Medicine meeting.
- Zavala, D.** , Dzikowski, N.***, Gopalan, S., Mann, F., Pasquini, G., Reid, K., Graham-Engeland, C., Engeland, C., Bernard, K., Veeramah, K., & **Scott, S.B.** (2022, Nov). Applying new methods to existing datasets to test stress effects on biological aging. In N. Turiano and J. Blaskewicz Boron (chairs) symposium presented at the Gerontological Society of America, Indianapolis, IN.
- Zavala**, D., Neupert, S.D., **Scott, S.B.**, Graham, E.K., Suitor, J., Hughes, M.L., Hu, R.X., Ali, S., Gilligan, M., Antonucci, T., Kincaid, R., & Ogle, D. (2023, June). Social Interactions and Loneliness in Daily Life During a Population-wide Stressor: A COVID-19 Coordinated Analysis. Poster presented at the Society for Ambulatory Assessment Conference, Pakhuis de Zwijger, Amsterdam.
- Bouklas**, I., Ferguson, G.** , Pasquini, G.** , Vu, H.** , Zamani, M.** , Zhaoyang, R., Harrington, K.***, Schwartz, H. A., & **Scott, S. B.** (2021, November). Using Ecological and Twitter-Based Assessments to Examine Impacts in Temporal and Community Context. Paper presented at annual Gerontological Society of America meeting, virtual.
- Ferguson, G.** , Pasquini, G.** , Neubauer, A., & **Scott, S. B.** (2021, November). *Assessing Personality in Daily Life: Variability Between and Within Persons*. Symposium session presented at the meeting of the Gerontological Society of America, virtual.
- Munoz, E., Sliwinski, M. J., & **Scott, S. B.** (2021, November). Psychosocial Stress Profiles and Cognitive Function in a Racially and Ethnically Diverse Study of Adults. Paper presented at annual Gerontological Society of America meeting, virtual.
- Munoz, E., Yoon, H., Choi, J., Pasquini, G.** , Allan, A.** , Sliwinski, M. J., & **Scott, S. B.** (2021, November). The Effect of Early Neighborhood Contexts on Cognitive Function in Midlife. In *Evaluating the Importance of Context: How Environmental Context Differentially Shapes the Course of Development Across the Adult Lifespan* symposium. Presented at annual Gerontological Society of America meeting, virtual.
- Pasquini, G.** , Neubauer, A. B., Eaton, N. R., Clouston, S., Graham, E. K., Mroczek, D. K., & **Scott, S. B.** (2021, November). Can Ecological Momentary Assessments be Used as Daily Markers of Personality Traits? In Zang, S. (Chair), *Observing Personality in Everyday Life: How Personality Influences Daily Activities and Mood*. Symposium presented at The Gerontological Society of America Annual Scientific Meeting, virtual.
- Zavala, D.** , Munoz, E., Sliwinski, M.J., & **Scott, S.B.** (2021, Nov). Associations between stress exposure and emotional health: The moderating role of discrimination. Symposium presented at Gerontological Society of America, virtual.

- Neubauer, A. B., **Scott, S. B.**, Sliwinski, M. J., & Smyth, J. M. (2021, September). *When the night has come – Implications of overnight intervals for autoregressive effects in three-level experience sampling data*. Fifteenth annual Methods and Evaluation specialist group conference of the German Society of Psychology (DGP), University of Mannheim [virtual].
- Ferguson, G.** , Hawes, M.** , Scott, S., & Klein, D. (2021, July). Relationship Between Forms of Social Media Use and Emerging Adults' Affect. In G. Loung (chair), *Socioemotional and Contextual Aspects of Daily Life Stressors: Implications for Adult Development*. Accepted symposium at the Society for Ambulatory Assessment Conference. Virtual conference.
- Pasquini, G.** , Luhmann, C. C., Sliwinski, M. J., & **Scott S. B.** (2021, July). Run-In as a Predictor of Within Burst and Longitudinal Attrition. In Neubauer, A. B (Chair), *Integrating Short-Term Fluctuations and Between-Person Differences: Methods and Empirical Applications*. Accepted symposium at the Society for Ambulatory Assessment Conference. Virtual Conference.
- Pasquini, G.** , Zhaoyang, R., Harrington, K., Schwartz, H. A., & **Scott, S.B.** (2021, July). Perseverative Cognitions Before and During a Pandemic. In Kraemer, A. and Neubauer, A. B. (chairs), *Antecedents and consequences of perseverative cognitions in children and adults: Findings from recent ambulatory assessment studies*. Accepted symposium at the Society for Ambulatory Assessment Conference. Virtual conference.
- Pasquini, G.** , Ferguson, G.** , Sliwinski, M. J., & **Scott, S. B.** (2022, November) Measuring personality in daily life: Evidence from an age-heterogeneous adult sample. Poster to be presented at the annual scientific meeting of the Gerontological Society of America, Indianapolis, IN.
- Zavala, D.** , Pasquini, G.** ; Ferguson, G.** , & **Scott, S. B.** (2022, April) Do reports of lifetime and everyday stress severity predict momentary cognitive performance in everyday life? Poster session presented at the Cognitive Aging Conference, Atlanta, GA.
- Bouklas, I.** , Ferguson, G.** , Pasquini, G.** , Vu, H.** , Zamani, M.** , Zhaoyang, R.*** , Harrington, K.*** , Roque, N., & **Scott, S. B.** (2021, November). Using Ecological and Twitter-Based Assessments to Examine Impacts in Temporal and Community Context. Poster session presented at the annual scientific meeting of the Gerontological Society of America, (virtual).
- Ferguson, G.** , Pasquini, G.** , Neubauer, A., & **Scott, S. B.** (2021, November). Assessing Personality in Daily Life: Variability Between and Within Persons. Symposium session presented at the annual scientific meeting of the Gerontological Society of America, (virtual).
- Ferguson, G.** , Hawes, M.** , **Scott, S. B.**, & Klein, D. (2021, July). Relationship Between Forms of Social Media Use and Emerging Adults' Affect. Symposium session presented at the meeting of the Society for Ambulatory Assessment, virtual.
- Van Bogart, K.** , Smyth, J., **Scott, S. B.**, Engeland, C., Sliwinski, M. J., & Graham-Engeland, J. E. (2021, April). The link between loneliness and self-esteem: Moderation by gender. Poster presented at Society for Behavioral Medicine annual conference [virtual].
- Zavala, D.** , Munoz, E., Sliwinski, M.J., & **Scott, S.B.** (2021, June). Daily stress exposure across adulthood-who's reporting and does discrimination have an impact on other stressors. In G. Loung (chair), *Socioemotional and Contextual Aspects of Daily Life Stressors: Implications for Adult Development*. Symposium presented at the Society for Ambulatory Assessment Conference. Virtual conference.

- Bouklas**, I., Pasquini, G.** , Gilbert, R.** , Bergeman, C. S., & **Scott, S. B.** (2020, November). A Qualitative Analysis of the Relationship Between Older Adults' Daily Lives and Life Outlook. In R. Joiner and N. Nelson (chairs) *Micro- and Macro-level Time Associations: How Daily Life Settles into Longer-Term Profiles* symposium. Presented to annual Gerontological Society of America meeting, (virtual).
- DeMeo, N.N.** , **Scott, S.B.**, Jones, D.** , Smyth, J., Sliwinski, M.J., Almeida, D.M., & Graham-Engeland, J.E. (2020, March). Low extraversion is associated with fewer and less enjoyable daily uplifts, and certain hassles. Accepted for presentation at the annual meeting of the American Psychosomatic Society, Long Beach, CA.
- Ferguson**, G. A., Monahan**, C., Levy, S., Rajaram, S., Richmond, L. L., & **Scott, S. B.** (2020, November). Stony Brook University Forging Intergenerational Links through Life-Story Sharing Project. In E. Stephenson (Chair) ESPO-AGHE symposium: *Bridging the gap: Shifting population dynamics and opportunities to inform and educate communities*. Presented to annual Gerontological Society of America meeting, (virtual).
- Ferguson**, G. A., Sliwinski, M.J., & **Scott, S.B.** (2020, November). Relationship between health and well-being and adherence to social norms across adulthood. Poster at the Gerontological Society of America, (virtual).
- Hyun, J.***, Lee, S., Katz, M., **Scott, S. B.**, Slliwinski, M. J., & Lipton R. (2020, November). Activity diversity in detecting ambulatory cognitive deficits. In R. Zhaoyang and N. Roque symposium (chairs) *Improving detection of cognitive decline and impairment using everyday behavioral and social markers*. Presented at Gerontological Society of America meeting, (virtual).
- Muñoz, E., Pasquini, G.*** , Allan, A., Mogle, J., Sliwinski, M., & **Scott, S. B.** (2020, November). The Impact of Perceived Neighborhoods in Childhood and Adulthood on Daily Cognitive Function. In Y. T. Ng (Chair) & E. Muñoz (Co-chair), *Where we Live Matters: Residential Influences on Health and Well-being*. Symposium at the Gerontological Society of America Annual Scientific Meeting, (virtual).
- Scott, S. B.** (2020, November). Discussant. In R. Joiner and N. Nelson (chairs) *Micro- and Macro-level Time Associations: How Daily Life Settles into Longer-Term Profiles* symposium. Gerontological Society of America meeting, (virtual).
- Scott, S. B.** (2020, November). Discussant. In R. Zhaoyang and N. Roque symposium (chairs) *Improving detection of cognitive decline and impairment using everyday behavioral and social markers*. Gerontological Society of America meeting, (virtual).

Evidence for Similarities. Poster submitted to Gerontological Society of America Annual Scientific Meeting, Austin, TX.

Scott, S. B. (2019, November). Discussant. In N. A. Roque*** and J. Hyun*** (chairs) *Using mobile technology to elucidate psychosocial and cognitive function in older adults* symposium submitted to Gerontological Society of America Annual Meeting, Austin, TX.

Scott, S. B., Neubauer, A., Smyth, J., & Sliwinski, M. J. (2019, November). Everyday markers of personality in adulthood. In E. Graham and **S. Scott** (Chairs) *Personality and cognitive aging* symposium submitted to Gerontological Society of America Annual Meeting, Austin, TX.

Mogle, J. A., **Scott, S. B.**, & Hill, N. (2019, October). Diversity in daily memory problems: A coordinated analysis of daily diary data. Poster submitted to Women in Statistics and Data Science Conference.

Dickens, C.**, **Scott, S. B.**, Neubauer, A., & Sliwinski, M. J. (2019, June). Morning Predictions about Today's Subjective Stress Prospectively Predict Reporting of Stressors. In A. Neubauer (Chair) *Beyond stressor exposure: Exploring anticipation of and recovery from stressors experienced in daily life* symposium presented at Society for Ambulatory Assessment conference, Syracuse, NY.

Pasquini, G.**, Diminich, E.***, Small, B. J., & **Scott, S. B.** (2019, June). Identifying the time course of emotional responding and recovery to everyday stressors in Breast Cancer Survivors. In A. Neubauer (Chair) *Beyond stressor exposure: Exploring anticipation of and recovery from stressors experienced in daily life* symposium presented at Society for Ambulatory Assessment conference, Syracuse, NY.

Pasquini, G.**, Small, B. J., & **Scott, S. B.** (2019, June). Daily stress predicts level of fatigue among breast cancer survivors independent of cancer-related distress. Poster presented at Society for Ambulatory Assessment conference, Syracuse, NY.

Dickens, C.**, **Scott, S. B.**, Neubauer, A., & Sliwinski, M. J. (2019, May). Morning expectations about the day's stress predict subjective stress ratings the following evening. In M. Pupolos (Chair) *Anticipatory Stress* symposium presented to annual *Association for Psychological Science* meeting, Washington, D.C.

Pasquini, G.**, Small, B. J., **Scott, S. B.** (2019, March). *Event-related distress and momentary stressors predicts greater rumination among breast cancer survivors*. Poster presented at Society of Behavioral Medicine Annual Meeting, Washington, D.C.

Zhaoyang, R.***, **Scott, S. B.**, Kang, J.**, Smyth, J. S., & Sliwinski, M. J. (2019, March). *Affective reactivity to daily stressors predicts long-term trajectories of depressive symptoms*. Paper presented at Society of Behavioral Medicine Annual Meeting, Washington, D.C.

Allan, A.**, Munoz, E., Gamaldo, A., Mogle, J. A., Sliwinski, M. J., & **Scott, S. B.** (2018, November). *Childhood disadvantage is associated with greater physical health capabilities in adulthood*. Poster presented at Gerontological Society of America Annual Scientific Meeting, Boston, MA.

Munoz, E., **Scott, S. B.**, Corley, R., Wadsworth, S. J., Sliwinski, M. J., & Reynolds, C. A. (2018, November). *The role of neighborhood stress on cognitive function: A coordinated analysis*. Paper presented at annual conference of Gerontological Society of America, Boston, MA.

- Pasquini, G.**, Munoz, E., Gamaldo, A. A., Mogle, J. A., Sliwinski, M. J., & **Scott, S. B.** (2018, November). *Environmental stressors experienced in childhood are related to emotional well-being decades later*. Poster presented at Gerontological Society of America Annual Scientific Meeting, Boston, MA.
- Scott, S. B.**, Mogle, J., Small, B. J., & Sliwinski, M. J. (2018, November). Memory failures in daily life among middle aged women with and without breast cancer history. In S. Neupert (Chair) *Variability and regulation in stressor ecologies*. Symposium presented at annual conference of Gerontological Society of America, Boston, MA.
- Neubauer, A. B., **Scott, S. B.**, Smyth, J. S., & Sliwinski, M. J. (2018, September). *How was your day? The memory-experience gap for daily positive and negative affect across the life span*. Paper presented to 51st annual conference of German Psychological Society, Frankfurt, Germany.
- Allan, A.**, Munoz, E., Gamaldo, A., Mogle, J. A., Sliwinski, M. J., & **Scott, S. B.** (2018, May). *Retrospective reports of childhood disadvantage and adversity as predictors of disparities in adult health*. Poster presented at Social-Health Psychology Mini-Conference, Stony Brook, NY.
- Cho, G.**, Mogle, J. A., Small, B. J., Eisel, S. E., Sliwinski, M. J., & **Scott, S. B.** (2018, May). *Breast cancer survivors report more days with physical symptoms and worse daily health than a comparison sample*. Poster presented at Social-Health Psychology Mini-Conference, Stony Brook, NY.
- Gerber, A.H.**, **Scott, S. B.**, Finsass, M., Girard, J.M., Lerner, M.D. (2018, May). *Mapping patterns and correlates of in-vivo social interactions of adults with and without ASD via ecological momentary assessment*. Poster presented at the International Society for Autism Research 2018 Annual Meeting, Rotterdam, Netherlands.
- Pasquini, G.**, Munoz, E., Gamaldo, A., Mogle, J. A., Sliwinski, M. J., & **Scott, S. B.** (2018, February). *The effect of environmental stressors on emotional well-being: A lifecourse approach*. Poster presented at Social-Health Psychology Mini-Conference, Stony Brook, NY.
- Eisel, S. E.**, **Scott, S. B.**, Jim, H., & Small, B. J. (2018, April). *What predicts daily subjective cognitive function among breast cancer survivors?* Poster accepted to Cognitive Aging Conference, Atlanta, GA.
- McCarrick, J.*, Pasquini, G.**, & **Scott, S. B.** (2018, April). *Effects of childhood adversity on anxiety and depressive symptoms in adulthood*. Poster presented to Stony Brook University Undergraduate Research & Creative Activities (URECA) Celebration: Undergraduate Research Symposium, Stony Brook, New York.
- Scott, S. B.**, Mogle, J. A., Eisel, S. E**, Jim, H. S., & Small, B. J. (2018, April). *A comparison global and daily reports of subjective cognitive complaints among breast cancer survivors*. Poster presented to annual conference of Society of Behavioral Medicine, New Orleans, LA.
- Small, B. S., Eisel, S. E.**, Jim, H. S., & **Scott, S. B.** (2018, April). *Daily variation in cognitive functioning among breast cancer survivors: Impact of fatigue and depressed mood*. Poster presented to annual conference of Society of Behavioral Medicine, New Orleans, LA.
- Allan, A.**, Munoz, E., Gamaldo, A., Mogle, J. A., Sliwinski, M. J., & **Scott, S. B.** (2018, February). *Retrospective reports of childhood disadvantage and adversity as predictors of disparities in adult health*. Poster presented at New York City Epidemiological Forum, Rutgers, NJ. [A.

Allan was selected as a top poster submission and invited to present as a featured oral Flash Science presentation.]

- Cho, G.** , Mogle, J. A., Small, B. J., Eisel, S. E., Sliwinski, M. J., & **Scott, S. B.** (2018, February). *Breast cancer survivors report more days with physical symptoms and worse daily health than a comparison sample*. Poster presented at New York City Epidemiological Forum, Rutgers, NJ.
- Pasquini, G.** , Munoz, E., Gamaldo, A., Mogle, J. A., Sliwinski, M. J., & **Scott, S. B.** (2018, February). *The effect of environmental stressors on emotional well-being: A lifecourse approach*. Poster presented at New York City Epidemiological Forum, Rutgers, NJ. [G. Pasquini was selected as a top poster submission and invited to present as a featured oral Flash Science presentation.]
- Eisel, S. E. **, **Scott, S. B.**, Small, B. J., Mogle, J. A., Jim, H. S., & Jacobsen, P. B. (2017, July). *Daily fatigue and cognitive function among breast cancer survivors*. Poster presented at International Association of Gerontology and Geriatrics World Congress on Gerontology and Geriatrics, San Francisco, CA.
- Pauly, T.** , Lay, J.C.** , Nater, U., **Scott, S. B.**, Hoppmann, C. (2017, July). *Age differences in affective and biological correlates of momentary solitude*. Poster presented at International Association of Gerontology and Geriatrics World Congress on Gerontology and Geriatrics, San Francisco, CA.
- Scott, S. B.**, & Sliwinski, M. J. (2017, July). Decomposing affect variability across momentary and daily timescales. In M. Sliwinski and S. Scott (Chairs), *Coordinated analysis of ecological momentary and daily diary studies of everyday stress and affect*. Symposium presented at International Association of Gerontology and Geriatrics World Congress on Gerontology and Geriatrics, San Francisco, CA.
- Lanza, S. T., **Scott, S. B.**, Almeida, D. M., Smyth, J. S., & Sliwinski, M. J. (2017, June). Finite mixture modeling to understand within-person affect variability. In M. Russell (Chair), *Innovative statistical approaches for the analysis of ambulatory assessment data* symposium at the 5th Biennial Society of Ambulatory Assessment conference, Belval, Luxembourg.
- Mogle, J. A., **Scott, S. B.** [presenting author], Smyth, J. S., & Sliwinski, M. J. (2017, June). *Missing data in momentary assessments: Identifying when and who*. Paper presented at the 5th Biennial Society of Ambulatory Assessment conference, Belval, Luxembourg.
- Scott, S. B.**, Small, B. J., Eisel, S. L.** , & Jim, H. E. (2017, June). *Ecological assessments of breast cancer survivors' cognitive performance and subjective cognitive complaints*. Paper presented at Dynamic Systems Modeling Expert Meeting at 5th Biennial Society of Ambulatory Assessment conference, Belval, Luxembourg.
- McIntyre, R., Heron, K. E., **Scott, S. B.**, & Juth, V. (2017, March). *Adverse events and psychosocial functioning in a diverse college sample*. Poster presented at South East Psychological Association annual conference, Atlanta, GA.
- Eisel, S. L.** , **Scott, S. B.**, Jim, H. S., Small, B. J. (2017, February) *Examining perceived and objective cognition in daily life among breast cancer survivors*. Poster presented at American Psychosocial Oncology Society, Orlando, Florida, USA.
- Eisel, S. L.** , Jim, H., Small, B. S., & **Scott, S. B.** (2016, November). Daily cognitive performance and subjective complaints among breast cancer survivors. In S. Eisel and J. Mogle (Chairs)

Cognitive function in daily life. Symposium presented at annual meeting of the Gerontological Society of America, New Orleans, LA.

Pauly, T.**; Lay, J.C.**; **Scott, S. B.**, Hoppmann, C. (2016, November). *Social ties as a safety net? How relationships influence affective experience during solitude.* Paper presented at annual meeting of the Gerontological Society of America, New Orleans, LA.

Scott, S. B., Munoz, E., Gamaldo, A., Smyth, J. S., Almeida, D. M., & Sliwinski, M. J. (2016, November). *Neighborhood insecurity, social cohesion, and violence prolong emotional responses to everyday stressors.* Paper presented at annual meeting of the Gerontological Society of America, New Orleans, LA.

Scott, S. B., Smyth, J. S., Almeida, D. M., & Sliwinski, M. J. (2016, November). Compounding effects of experienced and anticipatory stress, particularly in old age. In J. Hyun and **S. Scott** (Chairs), *The effects of anticipatory stress and coping on cognitive and emotional well-being.* Symposium presented at annual meeting of the Gerontological Society of America, New Orleans, LA.

MacIntyre, R. I.**; Hamrick, H.**; Heron, K. E., **Scott, S. B.**, & Juth, V. (2016, May). *Association between traumatic life events and social and psychological functioning in college students.* Poster presented at the annual meeting of the Virginia Academy of Science, Fredericksburg, VA. [R. MacIntyre won the Virginia Academy of Sciences Best Psychology Student Paper Award for this presentation.]

Ferguson, C.*; Eisel, S. E.**; & **Scott, S. B.** (2016, April). *Breast cancer survivors' adherence to physical activity recommendations: Preliminary results.* Paper presented at Florida Undergraduate Research Conference, University of Tampa, Tampa, FL.

Eisel, S. E.**; **Scott, S. B.**, Small, B., Jim, H. S., & Jacobsen, P. B. (2016, March). *Breast cancer survivors' cognitive performance & cognitive complaints: Feasibility of ecological assessments.* Poster presented at University of South Florida System STEM Summit: Better Lives Through Science and Technology, Tampa, FL.

Scott, S. B., Small, B. J. Eisel, S.E.**; Jim, H. S., & Jacobsen, P. B. (2016, March). *Feasibility of ecological momentary assessments of breast cancer survivors' cognitive performance and subjective cognitive complaints.* Poster presented at biennial meeting International Cancer and Cognition Task Force, Amsterdam, Netherlands.

Ferguson, C.*; Eisel, S. E.** & **Scott, S. B.** (2016, February). *Preliminary results of breast cancer survivors' adherence to physical activity recommendations.* Poster presented at University of South Florida Undergraduate Research and Arts Colloquium, Tampa, FL.

Mogle, J. A., Munoz, E. M., Hemphill, R., **Scott, S. B.**, Smyth, J. M., Ram, N., & Sliwinski, M. J. (2015, November). *Individual differences in reflection buffer stressor reactivity.* Paper presented at annual meeting of the Gerontological Society of America, Orlando, FL.

Munoz, E. M.**; **Scott, S. B.**, & Sliwinski, M. J. (2015, November). Perceived neighborhood quality and cognitive function: Contrasting effects on in-lab and ambulatory assessments. In E. Munoz (Chair), *Contextual effects on well-being and cognition from mid to late life.* Symposium presented at annual meeting of the Gerontological Society of America, Orlando, FL.

Scott, S. B., Munoz, E. M.**; Almeida, D. M., Smyth, J. M., Lipton, R., & Sliwinski, M. J. (2015, November). Current activities, social partners, and location as micro-context for mood. In E. Munoz (Chair), *Contextual effects on well-being and cognition from mid to late life.*

Symposium presented at annual meeting of the Gerontological Society of America, Orlando, FL.

Ferguson, C. *, & **Scott, S. B.** (2015, April). *Breast cancer survivors' adherence to physical activity recommendations*. Poster presented at University of South Florida Undergraduate Research and Arts Colloquium, Tampa, FL.

Heron, K. E., **Scott, S. B.**, Everhart, R. S., & Johnson, K. D.** (2015, April). *Ambulatory assessments of stress: A two-study experiment evaluating the role of question format in self-reported stress*. Paper presented at annual meeting of American Psychosomatic Society, Savannah, GA.

Mogle, J. A., **Scott, S. B.**, Sliwinski, M. J., Almeida, D., Smyth, J., Ram, N., Lipton, R., & Katz, M. (2014, November). Within- and across day stressor accumulation: Differential impacts on negative affect. In **S. Scott** and M. Sliwinski (Chairs), *Mediators and moderators of the effects of daily stressors on emotion and cognition*. Symposium presented at annual meeting of the Gerontological Society of America, Washington, D.C.

Munoz, E.**, Mogle, J. A., **Scott, S. B.**, & Sliwinski, M. J. (2014, November). Facets of Neuroticism differentially predict exposure and reactivity to daily events. In **S. Scott** and M. Sliwinski (Chairs), *Mediators and moderators of the effects of daily stressors on emotion and cognition*. Symposium presented at annual meeting of the Gerontological Society of America, Washington, D.C.

Munoz, E.**, **Scott, S. B.**, Mogle, J. A., & Sliwinski, M. J. (2014, November). Individual differences in affective reactivity to daily uplifts. In C. Matz-Costa (Chair), *Feasibility of studies of daily life with older adults*. Symposium presented at annual meeting of the Gerontological Society of America, Washington, D.C.

Russell, A., Bergeman, C. S., & **Scott, S. B.** (2014, November). *The influence of control on daily affect regulation in later life: Longitudinal and developmental approaches to understanding change*. Paper presented at annual meeting of the Gerontological Society of America, Washington, D.C.

Scott, S. B., Whitehead, B. J., & Mogle, J. A. (2014, November). *Healthy and unhealthy behaviors throughout the day: The role of mood and stress*. Poster presented at annual meeting of the Gerontological Society of America, Washington, D.C.

Sliwinski, M. J., Mogle, J. A., **Scott, S. B.**, Almeida, D., Smyth, J., Ram, N., Lipton, R., & Katz, M. (2014, November). Momentary unconstructive repetitive thoughts mediate the effects of chronic stress on cognitive function in daily life. In **S. Scott** and M. Sliwinski (Chairs), *Mediators and moderators of the effects of daily stressors on emotion and cognition*. Symposium presented at annual meeting of the Gerontological Society of America, Washington, D.C.

Heron, K. E., Locke, E. L.**, Johnson, K. D.**, **Scott, S. B.**, & Everhart, R. S. (2014, May). *Answering methodological questions about optimal response format by incorporating an experimental design into two ongoing observational studies*. Paper presented at the annual meeting of the International Field Directors & Technology Conference, Anaheim, CA.

Hoppmann, C., **Scott, S. B.**, & Nater, U. (2014, March). *Individual differences in salivary alpha-amylase diurnal profiles across the adult lifespan: Evidence from a time-sampling approach*. Poster presented at annual meeting of American Psychosomatic Society, San Francisco, CA.

- Munoz**, E., **Scott, S. B.**, & Sliwinski, M. J. (2013, November). Predicting individual differences in cognitive change: The role of perceived stress. In E. Munoz and M. J. Sliwinski (Chairs), *Perceived stress: Effects on cognitive and brain aging*. Symposium conducted at annual meeting of Gerontological Society of America, New Orleans, LA.
- Scott, S. B.**, & Sliwinski, M. J. (2013, November). Unconstructive repetitive thought as a mechanism linking stress to outcomes. In E. Munoz and M. J. Sliwinski (Chairs), *Perceived stress: Effects on cognitive and brain aging*. Symposium conducted at annual meeting of Gerontological Society of America, New Orleans, LA.
- Sprague**, B., **Scott, S. B.**, Sliwinski, M. J., Katz, M., & Lipton, R. E. (2013, November). *Perceived stress and cognitive aging*. Paper presented at annual meeting of Gerontological Society of America, New Orleans, LA.
- Heron, K. E., **Scott, S. B.**, Smyth, J. M., & Sliwinski, M. J. (2013, March). *Mood and disordered eating behaviors in women's everyday lives*. Paper presented at annual meeting of American Psychosomatic Society, Miami, FL.
- Hoppmann, C. H., **Scott, S. B.**, & Nater, U. M. (2013, March). *The impact of aging on diurnal rhythms of salivary cortisol and alpha amylase*. Poster presented at annual meeting of American Psychosomatic Society, Miami, FL.
- Hoppmann, C. H., Slade, L.**, **Scott, S. B.**, & Blanchard-Fields, F. (2012, November). Daily goal-related problems are associated with different emotional experiences and physiological stress across the adult lifespan. In D. M. Isaacowitz (Chair), *Emotion regulation and aging: Diverse methods for studying processes and outcomes*. Symposium conducted at annual meeting of Gerontological Society of America, San Diego, CA.
- Scott, S. B.**, & Sliwinski, M. J. (2012, November). Emotional complexity and stress re-examined: Results from ecological momentary assessment data. In M. Riediger (Chair), *Affective experiences in adulthood: Facets and processes*. Symposium conducted at annual meeting of Gerontological Society of America, San Diego, CA.
- Scott, S. B.**, Sliwinski, M. J., & Smyth, J. M. (2012, November). *Thought suppression and self-blame mediate the relationship between events and depressive symptoms*. Poster presented at annual meeting of Gerontological Society of America, San Diego, CA.
- Scott, S. B.**, Hoppmann, C. H., & Blanchard-Fields, F. (2011, November). Negative emotion prevention strategy use as an explanation of age differences in emotional experience. Presented in S. Scott and C. Hoppmann (Chairs), *Emotion regulation processes in daily life across the lifespan: What can we learn from time-and experience-sampling approaches?* Symposium conducted at annual meeting of Gerontological Society of America, Boston, MA.
- Yoder, ** A., **Scott, S. B.**, Bergeman, C. S., & Monroe, S. M. (2011, November). *Stress assessment: A comparison of checklist vs. interview-based systems in an older adult sample*. Poster presented at annual meeting of Gerontological Society of America, Boston, MA.
- Scott, S. B.**, Sliwinski, M. J., & Blanchard-Fields, F. (2010, November). *Emotional & stress reactivity in daily life across the lifespan*. Presented at annual meeting of Gerontological Society of America, New Orleans, LA.
- Scott, S. B.**, Blanchard-Fields, F., & Hoppmann, C. (2010, April). *Emotional reactivity to daily disruptions*. Poster presented at Cognitive Aging Conference, Atlanta, GA.

- Scott, S. B.**, Baird, B. M., & Bergeman, C. S. (2009, November). *The role of neuroticism in daily stress exposure, appraisal, and negative affect*. Paper presented at annual meeting of Gerontological Society of America, Atlanta, GA.
- Scott, S. B.**, Jackson, B. R.**, & Bergeman, C. S. (2009, May). *Stressful life events and difficulties in old age: A mixed methods study*. Paper presented at Fifth International Congress of Qualitative Inquiry, University of Illinois at Urbana-Champaign.
- Scott, S. B.**, & Bergeman, C. S. (2008, November). Stress in later life. Presented in C. S. Bergeman (Chair) *Risk, resilience, & recovery: The Notre Dame Study of Health & Wellbeing*. Symposium conducted at annual meeting of Gerontological Society of America, National Harbor, MD.
- Verdial,* F., **Scott, S. B.**, & Nicholson, J. S. (2008, May). *Choosing to care: Informing scholarship and services*. Presented at Fourth International Congress of Qualitative Inquiry, University of Illinois at Urbana-Champaign.
- Nicholson, J. S., **Scott, S. B.**, & Verdial,* F. (2007, November). *Choosing to care: Needs and resources of grandparents raising their grandchildren*. Poster presented at annual meeting of the Gerontological Society of America, San Francisco, CA.
- Scott, S. B.**, & Nicholson, J. S. (2006, November). *Grandfathers as primary caregivers*. Poster presented at annual meeting of the Gerontological Society of America, Dallas, TX.
- Verney,* A., **Scott, S. B.**, Bergeman, C. S., & Bisconti, T. L. (2006, November). *Internal resources in adaptation to widowhood: Qualitative findings*. Poster presented at annual meeting of the Gerontological Society of America, Dallas, TX.
- Scott, S. B.**, Bergeman, C. S., & Bisconti, T. L. (2006, May). *Social support in adaptation to widowhood: A mixed methods study*. Presented at Second International Congress of Qualitative Inquiry, University of Illinois at Urbana-Champaign.
- Scott, S. B.**, Bergeman, C. S., & Bisconti, T. L. (2005, November). *Social support in adaptation to widowhood: Longitudinal and qualitative findings*. Poster presented at annual meeting of the Gerontological Society of America, Orlando, FL.
- Scott, S. B.**, Poulin, M. J., & Silver, R. C. (2005, August). *A lifespan perspective on terrorism: Age differences in trajectories of response to the September 11, 2001 attacks*. Poster presented at START-MH conference, San Diego, CA.
- Scott, S. B.** (2003, April). *Tibetan Buddhist and U.S. Catholic children's understanding of death*. Poster presented at annual meeting of the Wisconsin Psychological Association, Madison, WI.
- Holtz, J., Nelson, R., **Scott, S. B.**, & Maykut, P. S. (2002, Spring). *Three cross-cultural studies of socio-emotional and cognitive development in children*. Poster presented at ASIANetwork-Freeman Foundation Faculty-Student Collaborative Research in Asia Meeting, Schaumburg, IL.

MEDIA MENTIONS

- March 2021 "Why Older People Managed to Stay Happier Through the Pandemic", [The New York Times](#), March 12, 2021. Reference to Sliwinski, Freed, Scott, Pasquini, and

TEACHING GRANTS & HONORS

- 2008 University of Notre Dame
Graduate Teaching Award, Developmental Psychology Program
- 2008 University of Notre Dame \$4,500
Undergraduate Research Opportunities Grant
Stress, Social Support, & Depression.
Role: Graduate Mentor (undergraduate PI: Anna Suozzi, faculty mentor: Cindy Bergeman)
- 2006 University of Notre Dame \$4,400
Undergraduate Research Opportunities Grant
Grandparents as Primary Caregivers.
Role: Graduate Mentor (undergraduate PI: Francys Verdial, faculty mentor: Cindy Bergeman)

TEACHING EXPERIENCE

TEACHING & MENTORING TRAINING

- Ageism First Aid: Online course provided by Gerontological Society of America in collaboration with Association for Gerontology in Higher Education (Summer 2020)
- Intro to Online and Syllabus Development: Part 1 of Stony Brook University's CELT Online Teaching Certificate (May 2020)
- Building Your Online Course for Success: Part 2 of Stony Brook University's CELT Online Teaching Certificate (June-July 2020)
- Tips for Preparing to Lecture in Your Online Class: Webinar provided by Association for Gerontology in Higher Education (AGHE) Peer-to-Peer session (June 2020)

TEACHING & MENTORING EXPERIENCE AS FACULTY AT STONY BROOK UNIVERSITY

Instructor, Stony Brook University

- Survey in Developmental Psychology PSY 220 (Fall 2016, 2017, 2018, 2019; Spring 2017, 2022)
- Special Topics in Social/Health Psychology: Death & Dying PSY 349 (Spring 2018, Fall 2019, Fall 2020, Spring 2023)
- Seminars in Special Topics: Multilevel Models PSY 610/620 (Fall 2018, Spring 2021, Fall 2022)

Mentor to Graduate Students, Stony Brook University

- A. Allan (2017-2018): Supervised MA student on childhood neighborhood and financial resources predicting adult health.
- M. Apriceno (2017-present): Co-supervised (with S. Levy) Ph.D. student in MTurk project on grandparents providing care for grandchildren.
- M. Armstrong (2019-2020): Supervised MA student on adult temperament and well-being project.
- G. Cho (2017-2018): Supervised Ph.D. student in daily quality of life among breast cancer survivors project.
- S. Corley (2022-present): Supervised Ph.D. student in famine and other cohort effects on cognitive aging project, stress measurement project (2nd year paper). Supervised as graduate TA in Substantial Direct Instruction (SDI) in PSY 349.
- M. Dobias (2022-present): Supervised (with J. Schleider) Ph.D. student in project characterizing youths' real-world usage and perspectives on digital mental health supports (dissertation).
- G. Ferguson (2019-present): Supervised Ph.D. student in social norms and stress project

(2nd year paper), emotion measurement instrument development (specialties), and conventional and self-generated emotion reporting project (dissertation).

- A. Levinson (2017): Supervised graduate TA in Substantial Direct Instruction (SDI) in PSY 220.
- G. Pasquini (2017-2022): Supervised Ph.D. student in early adversity predicting adult well-being project (2nd year paper), daily variability in cognitive function among breast cancer survivors and age-matched women without cancer history (specialties), measurement and change in personality-related markers in daily life (dissertation).
- D. Zavala (2019-present): Supervised Ph.D. student in lifetime and everyday discrimination and stress project (2nd year paper and specialties) and epigenetic aging and cognitive decline (dissertation).

Mentor to Postdoctoral Fellows, Stony Brook University

- S. Ali (2021): Postdoctoral fellow funded from NIH R01 AG060933, *The role of personality in cognitive aging and dementia*

Committee Member for Graduate Students, Stony Brook University

Dissertation (*member of proposal committee, was unable to participate in defense due to sabbatical and pandemic)

- M. Apriceno (2020-2022). Psychology: Social/Health (Levy)
- S. Bannon (2018-2020). Psychology: Clinical (O'Leary)
- A. Gerber (2021-2022). Psychology: Clinical (Lerner)
- M. Hawes (2022-2023). Psychology: Clinical (Klein)
- D. Kattan (2017-2018). Psychology: Integrative Neuroscience (Canli)
- J. Payne (2022-2023). Psychology: Social/Health (Moyer)
- L. Perrone (2020-2022). Psychology: Clinical (Bernard)
- C. Rodriguez-Seijas (2017-2018). Psychology: Clinical (Eaton)
- T. Rosen (2018-2019*). Psychology: Clinical (Lerner)
- M. Sarwana (2019*). Psychology: Social/Health (London)
- M. Tuman (2019*). Psychology: Social/Health (Moyer)
- Y. Zhang (2020-2022). Program in Public Health (Clouston)

Specialties (Candidacy)

- M. Apriceno (2019). Psychology: Social/Health (Levy)
- C. Beaty (2023). Psychology: Clinical (Nelson)
- A. Frost (2017). Psychology: Clinical (Bernard)
- A. Gerber (2019). Psychology: Clinical (Lerner)
- A. Greene (2017). Psychology: Clinical (Eaton)
- M. Hawes (2021). Psychology: Clinical (Klein)
- A. Levinson (2017). Psychology: Clinical (Bernard)
- S.-Y. Lin (2020). Psychology: Clinical (Eaton)
- J. Payne (2021). Psychology: Social/Health (Moyer)
- M. Tuman (2018). Psychology: Social/Health (Moyer)
- T. Taggart (2018). Psychology: Clinical (Eaton)
- C. Wiedeman (2023). Psychology: Social/Health (Freitas)
- Y. Zhang (2019). Program in Public Health (Clouston)

Second Year Paper

- A. Araiza (2018). Psychology: Social/Health (Freitas)
- R. Bermejo (2020). Psychology: Social/Health (London)
- J. Payne (2019). Psychology: Social/Health (Moyer)
- M. Sarwana (2017). Psychology: Social/Health (London)
- M. Tuman (2017). Psychology: Social/Health (Moyer)
- N. Weimer (2017). Psychology: Social/Health (Freitas)
- C. Weideman (2022). Psychology: Social/Health (Freitas)

Mentor to Undergraduate Students, Stony Brook University

- E. Banasiak (Spring 2017): Supervised undergraduate TA in PSY 220.
- I. Bouklas (2019-2020): Supervised undergraduate psychology student's training and work as a research assistant.
- Y. Chen (2017): Supervised undergraduate health science student's training and work as research assistant.
- R. Gilbert (2018-2019). Supervised undergraduate psychology student's training and work as research assistant.
- A. Houck (Fall 2020): Supervised undergraduate TA in PSY349.01.
- B. Lew (Fall 2020): Supervised undergraduate TA in PSY349.01.
- A. Link (Fall 2017): Supervised undergraduate TA in PSY 220.
- C. Ku (2018-2019). Supervised undergraduate psychology student's training and work as research assistant.
- C. M. Lopez (Fall 2020): Supervised undergraduate TA in PSY349.01.
- J. McCarrick (2017-2018): Supervised undergraduate psychology student's training and work as research assistant. URECA program.
- C. McCready (Fall 2017): Supervised honors thesis student's project on mobile health app usage.
- J. Marin (Spring 2018): PSY 488 Internship (Placement: Career Services) Faculty Mentor.
- C. Mastroianni (Spring 2021): PSY 488 Internship (Placement: Humanology Project) Faculty Mentor.
- M. Pae (Fall 2020): Supervised undergraduate TA in PSY349.01.
- W. Truong (Fall 2020): Supervised undergraduate TA in PSY349.01.
- A. Yu (2019-2020): Supervised undergraduate psychology student's training and work as a research assistant.

Mentor to High School Student, Hampton Bays High School

- M. Brooks (Fall 2016-Spring 2019): Mentored high school student in research methods and stress theory through SUNY Albany University in the High School Program. Rejoined lab as remote member during 2020-2021 while undergraduate student at SUNY Albany.

TEACHING & MENTORING EXPERIENCE AS FACULTY AT UNIVERSITY OF SOUTH FLORIDA

Mentor to Undergraduate Students, University of South Florida

- N. Joudeh (2016)
- D. Guirguis (2015-2016)
- C. Ferguson (2014-2017)
- C. Clark (2014)

Mentor to Graduate Students, University of South Florida

- S. Eisel (2015-2018): Qualifying exam and dissertation co-chair.
- S. Runge (2014- 2016): Qualifying exam and dissertation committee member.

Instructor, University of South Florida

- Ph.D. Seminar in Health & Aging: GEY 7602 (Fall 2015)
- The Life Cycle/Lifespan Developmental Psychology: DEP 2004 (Fall 2013-Fall 2015)
- Death & Dying: GEY 4641 (Spring 2014, Spring 2015)

TEACHING & MENTORING EXPERIENCE AS POST-DOCTORAL FELLOW & GRADUATE STUDENT

Mentor to Graduate Students

- E. Munoz (2012-2013; Penn State) manuscript development
- B. Sprague (2012-2013; Penn State) proposal for data access, plan & teach analyses, manuscript development
- A. Yoder (2010-2013; Notre Dame) manuscript development

Graduate Student Mentor to Undergraduate Students, University of Notre Dame
Senior Honors Thesis (2008-2009)
Special Studies Course (2003-2008) Mentoring resulted in student involvement in presentations and publications:
Verney et al. (2006; student 1st author) poster
Verdial et al. (2008; student 1st author) presentation
Scott et al. (2007; 3 student co-authors) paper
McNair Scholars Program (Summer 2004, 2005)

Instructor, Pennsylvania State University (Spring 2013)
Development through Adulthood (HDFS & Psychology cross-listed)

Instructor, University of Notre Dame (Spring 2008)
Mental Health & Aging (Psychology)

Instructor/Advisor, University of Notre Dame (Spring 2006-2008)
Children & Poverty Seminar (Psychology & Social Concerns)

Lab Instructor/Graduate Teaching Assistant, University of Notre Dame (Fall 2005, Fall 2006).
Experimental Psychology II: Research Methods (Psychology)

Graduate Teaching Assistant, University of Notre Dame
Introductory Psychology (2004-2005)
Developmental Psychology (Spring 2004)
Cognitive Psychology (Fall 2003)

TEACHING GUEST LECTURES

Scott, S. B. (2023, Fall). *Getting involved in research – why and how* Guest speaker at Center for Prevention and Outreach's Expert Series. Stony Brook University.

Scott, S. B. (2023, Fall). *Data Management*. Guest lecture in First Year Lectures Course. Stony Brook University, Psychology.

Scott, S. B. (2023, Spring). *Career trajectories*. Guest speaker at Psychology Student Alliance general body meeting. Stony Brook University.

Scott, S. B. (2022, Fall). *Data Management*. Guest lecture in First Year Lectures Course. Stony Brook University, Psychology.

Scott, S. B. (2021, Spring). *Graduate school preparations*. Guest speaker at Psychology Student Alliance general body meeting. Stony Brook University.

Scott, S. B. (2020, Fall). *Data Management*. Guest lecture in First Year Lectures Course. Stony Brook University, Psychology.

Scott, S. B. & Pasquini, G.** (2019, Spring). *Lessons learned from the ESCAPE Study*. Guest lecture in Psychology Student Alliance (PSA) general body meeting, Stony Brook University, Stony Brook, NY.

Scott, S. B. & Pasquini, G.** (2019, Spring). *Lessons learned from the ESCAPE Study*. Guest lecture in G. Liebowitz' graduate advanced clinical skills class, Stony Brook University Department of Social Welfare, Stony Brook, NY.

- Scott, S. B.** (2017, Fall). *Professional development Q&A*. Guest lecture in D. Quinn's advanced graduate professional seminar, University of Connecticut Department of Psychology, Storrs, CT.
- Scott, S. B.** (2017, Fall). *Data Management*. Guest lecture in First Year Lectures Course. Stony Brook University, Psychology.
- Scott, S. B.** (2017, Spring). *Secondary Data Analysis*. Guest lecture in First Year Lectures Course. Stony Brook University, Psychology.
- Scott, S. B.** (2015, November). *Professional development Q&A*. Guest lecture in J. Edwards' graduate professional seminar. USF Aging Studies.
- Scott, S. B.** (2015, October). *Daily cognitive functioning among breast cancer survivors*. Guest lecture in C. Batsche's undergraduate research methods course. USF College of Behavioral and Community Sciences.
- Scott, S. B.** (2015, September). *Assessment of daily cognitive functioning among breast cancer survivors*. Guest lecture in C. Rodriguez' graduate nursing class: NGR 7938 – Innovative Programs in Symptom Management in Research. USF College of Nursing.
- Scott, S. B.** (2014, January). *Daily stress and emotional functioning*. Guest lecture in L. Brown's Honors class: Traumatic Stress, Resilience, and Coping. USF Honors College.
- Scott, S. B.** (2012, November). *Work & retirement*. Guest lecture in P. Jennings' Development Throughout Adulthood class. Penn State HDFS.

TEACHING INTERESTS

Lifespan Development
 Research Methods
 Thesis/Independent Study
 Adult Development & Aging
 Qualitative Research Methods
 Statistics

TRAINING

TEACHING TRAINING

Online Teaching Certificate Part 1: Intro to Online and Syllabus Development (Instructors: Carol Hernandez & Kristin Hall). CELT, Stony Brook University. (June 2020).

Online Teaching Certificate Part 2: Building Your Online Course for Success (Instructors: Jennifer Jaiswal & Troy Priest). CELT, Stony Brook University. (July 2020).

METHODOLOGICAL TRAINING

Becoming an Antiracist Society: Setting A Developmental Research Agenda. Webinar provided by Society for Research in Child Development. (June 2020).

Variability in Intensive Longitudinal Data: Mixed-Effects Location Scale Modeling (Instructor: Donald Hedeker). Penn State Methodology Center Summer Institute, State College, PA. (June 2019)

Multilevel Modeling: A Second Course (Instructor: Kristopher J. Preacher), Statistical Horizons, Sarasota, FL. (January, 2018)

International Colloquium on Promises and Perils of Exploratory Data Mining for Predicting Risk, Chateau de la Bretesche, Missillac, France. Supported by Albert & Elaine Borchard Foundation (July, 2010)

APA Advanced Training Institute on Exploratory Data Mining in Behavioral Research (Instructor: John McArdle), University of Southern California, Los Angeles, CA (August, 2009)

Swimming in Data: Strategies for Interpreting, Writing up, and Evaluating Qualitative Research (Instructors: Robin Jarrett and Angela Odoms-Young), Fifth International Congress of Qualitative Inquiry, University of Illinois: Urbana-Champaign (May, 2009)

Analysis of Daily Diary Data using Multilevel Modeling Workshop (Instructor: Martin J. Sliwinski), Annual meeting of Gerontological Society of America, Washington, DC (November, 2008)

Advances in Mixed Methods Design Workshop (Instructor: Janice Morse), Fourth International Congress of Qualitative Inquiry, University of Illinois: Urbana-Champaign (May, 2008)

Designing a Mixed Methods Study Workshop (Instructor: John Creswell), Fourth International Congress of Qualitative Inquiry, University of Illinois: Urbana-Champaign (May, 2008)

Life Events and Difficulties Schedule (LEDS) (Instructors: Tirril Harris and George Brown), Kings College, London, UK (May, 2007)

Mixed-Methods Social Inquiry: Possibilities and Strategies Workshop (Instructor: Jennifer C. Greene), Second International Congress of Qualitative Inquiry, University of Illinois: Urbana-Champaign (May, 2006)

Qualitative Analysis with and without the Use of Computers Workshop (Instructor: Eben Weitzman), University of Michigan Institute for Survey Research (July, 2004)

Qualitative Research Methods Course (Instructor: Pamela S. Maykut), Viterbo University (2003)

METHODOLOGICAL COURSEWORK

Categorical Data Analysis
Mixture Modeling
Psychological Measurement
Structural Equation Modeling
Advanced Longitudinal Methods
Dynamical Systems Analysis
Longitudinal Data Analysis
Multivariate Analysis
Quantitative Methods
Qualitative Methods
Qualitative Analysis

DEPARTMENT SERVICE

Faculty Advisor, Psychology Student Alliance, Stony Brook University (2017-present)
Committee Member & Faculty Representative, Diversity in Research & Teaching Committee,

S. Scott 29
ver. 10.13.23

Psychology Department, Stony Brook University (Fall 2020)
Member, Graduate Training in Quantitative Methods Workgroup, Psychology Department, Stony Brook University (Fall 2021-present)
Departmental Diversity Liaison for Hiring, Psychology Department, Stony Brook University (Fall 2023-present)
Committee Member, Diversity in Faculty and Staff Hiring, Psychology Department, Stony Brook University (Fall 2023-present)

UNIVERSITY SERVICE

Mentor to New Faculty Member Dr. Wenbo Li, Assistant Professor of Science Communication, SBU School of Communication and Journalism, Stony Brook University (Fall 2022-present)
Facilitator, Community Dialogue: We Voted, Now What? SBU Center for Civic Justice, Stony Brook University (Fall 2020)
Committee Member, Institutional Review Board, Stony Brook University (2018-present)
Committee Member, University-Wide Procurement Task Force, Stony Brook University (2017)

PROFESSIONAL SERVICE

Professional Organization Leadership

Chair, Society for Ambulatory Assessment Travel Grant and Award Committee (2022-2023)
Member-at-Large to Executive Board, Society for Ambulatory Assessment (2020-2024)
Member-at-Large to Executive Board, APA Division 20 (Adult Development & Aging; 2020-2023)

Journal Reviewer

Ad Hoc Reviewer

Cities & Health; Clinical Gerontologist; Cognition & Emotion; Developmental Psychology; Emotion, European Journal of Personality; Frontiers in Psychology; Gerontologist; Health Psychology; Journal of Family Psychology; Journal of Gerontology: Psychological Sciences; Psychology & Aging; Psychoneuroendocrinology; Stress & Health; Women & Health

Outside/Temporary Action Editor

Journal of Gerontology: Psychological Sciences

Editorial Board

Journal of Gerontology: Psychological Sciences

Grant Reviewer

Alzheimer's Australia Dementia Research Foundation (2016)
Joseph & Jean Britton Graduate Fellowship, Center for Healthy Aging, Penn State
National Science Centre (Narodowe Centrum Nauki - NCN; Poland; 2016)
NASA Human Research Program Behavioral Medicine (Solicitation: Human Exploration Research Opportunities: Research and Technology Development to Support Crew Health and Performance in Space Exploration Missions) Review Panel (2018)
NASA Translational Research Institute for Space Health Review Panel (2018)
NIH National Institute on Aging Resource Centers for Minority Aging Research (RCMAR; P30 & R24) Review Panel (2017)
NIH Social, Personality, & Individual Processes (SPIP) Study Section; Risk, Prevention and Health Behavior Review Group (July 2020; temporary member)
NIH Social, Personality, & Individual Processes (SPIP) Study Section: Special Panel (June 21, 2021)
NIH Social, Personality & Individual Processes (SPIP) Study Section (July 1, 2021-June 2025; regular member)

External Steering Committee Member & Workshop Co-Organizer, NIA Division of Behavioral and Social Research (BSR) Harmonization Workshop (2020-2021)

Science Fair Judge, Northern Indiana Regional Science & Engineering Fair (2006, 2007)

PROFESSIONAL ORGANIZATIONS

Association for Psychological Science
American Psychological Association
Gerontological Society of America
Society for Ambulatory Assessment
Society for Behavioral Medicine
