

**Marine Sciences Research Center
Convocation Ceremony
Stony Brook University
Friday, May 21, 2004
8:30 a.m.
Room 120, Endeavour Hall**

Additional Graduates

Undergraduates: Christopher Anastasiou (ENSBA), Christine Dupuis (ENSBA), Karl Krikelis (ENSBA), Clara Pelaez (ENSBA), Jeannine Schroeder (ENSBA), Joseph Giannotti (ATMBS)

Graduates:

Songyan Du, M.S., Evaluation of narcosis-based toxicity of *Ampelisca Abdita*.

Heather Crowley, Ph.D., Residual circulation in wide estuaries characterized by low Ekman number: a modeling study.

Amy Fenwick, M.S., Identification of spring and summer spawned bluefish; validation of aging and back calculation techniques including notes on spawning adults.

Rachel Foster, Ph.D., The characterization of the cyanobacterial passengers of open ocean marine eukaryotic hosts: the abundance, ultrastructure and phylogenetic diversity.

Lourdes Mena, M.S., Endocrine disruptions in winter flounder: a Jamaica Bay study.

David Myers, Ph.D., The hydrological life cycle of the Madden Julian oscillation.

Mussie Okbamichael, Ph.D., Vitamin B12 in the marine environment: method development and temporal and spatial variations.

John Rapaglia, M.S., Distribution of submarine groundwater discharge at coastlines.

Jingbo Wu, Ph.D., Physical basis and improvement of the frontal cloud parameterizations for the community atmospheric model.

**Marine Sciences Research Center
Convocation Ceremony
May 21, 2004**

8:30 Breakfast Reception

9:00 Graduation Ceremony

Introduction:

David O. Conover, Dean and Director,
MSRC

Awarding of Certificates:

Undergraduates:

Kamazima Lwiza and Brian Colle

Petra Udelhofen Scholarship Award:

Minghua Zhang

***Introduction of Advisors & Graduate
Students:***

Robert Armstrong

Conclusion: David Conover

Advisors

Degree Recipient

Bachelor of Arts, Environmental Studies

Kamazima Lwiza

Keiko Cervantes

Joshua Davies

Melisa Demmett

Kimberly Gardner

Starlyn Rupinski

Kathryn Seaver

Alena Zajic

Bachelor of Science, Atmospheric and Oceanic Sciences

Brian Colle

Michael Charles

Alicia Handy

Naoki Ohashi

Melissa Ou

Udelhofen Award Recipient

Minghua Zhang

Daniel Iannotti

Advisors

Degree Recipients

Ph.D., Marine and Atmospheric Science

Roger Flood

Vicki Ferrini

M.S., Marine and Atmospheric Science

Roger Flood

Christopher Clapp

R. Lawrence Swanson

Gail Murray

Robert Armstrong

Andrea Grabman

Robert Holland

Mary Hunsicker

Douglas Potts

Jason Powers

Michelle Staudinger

Henry Bokuniewicz

Janet Reimer

David Conover

Joanna Gyory

CONGRATULATIONS!

You have satisfied preliminary requirements
for degree certification.

The University will forward your diploma
upon final certification
of completion
of your degree requirements.

May 21, 2004

A handwritten signature in blue ink, reading "Shirley Strum Kenny". The signature is written in a cursive style with a long, sweeping tail on the final letter.

Shirley Strum Kenny, President
