Robert Aller, MSRC

EMPLOYMENT OPPORTUNITY

Ridgefield Public Schools in CT announce an opening for a part-time health education teacher at Ridgefield High School. The position is available from 1/23/97-the close of school in June. No application deadline is given.

The Tsunami Inundation Mapping Center in Newport, OR announces an opening for a Physical Oceanographer/Engineer. Application deadline is January 27, 1997.

The NOAA Coastal Services Center, in Charleston, SC announces an opening for a Remote Sensing Program Coordinator. No application deadline is listed.

Two openings are available at the Remediation Research Laboratory (RRL) at Naval Research and Development (NR&D) for a microbiologist and an organic geochemist or analytical chemist. No application deadline is given.

Eckerd College announces an opening for a tenure track assistant professor in Marine Geophysics/Quantitative Physical Geology beginning in the Fall of 1997. Application deadline is 2/15/97.

Special Notices

Improve your effectiveness in grant writing on Friday, 1/31/97 or Tuesday, 2/4/97 at a seminar sponsored by the SUNY Faculty Senate, The Graduate Student Organization, the Research Foundation, the SUNY System Administration, the SUNY Campuses, UUP, and the Faculty Council of Community Colleges. For more information, please contact one of the above organizations or stop by the main office in Endeavour 145.

NASA's Goddard Space Flight Center in Greenbelt, MD announces summer grants for undergraduates. Applications are due February 12, 1997. Come to the main office in Endeavour 145 for more info.

Coastal Ocean Perspectives
Copies of keynote lectures presented at MSRC's 25th Anniversary Coastal Ocean Summit in 1993 were distributed to faculty before the holidays. Lori Palmer had been working on putting these together as a permanent record of that event, and she finished them shortly before she left MSRC. If any students or staff want copies, the main office has extras. The lectures cover Coastal Marine Eutrophication (Scott Nixon), Coastal Ocean Chemistry (John Farrington), and Physical Oceanography (Chris Garrett).

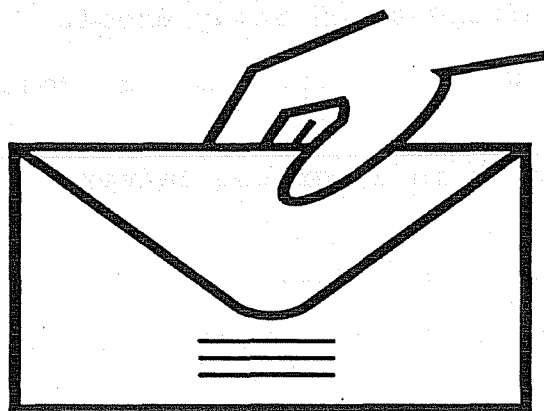

CONFERENCE ANNOUNCEMENTS

**Texas A&M University announces
the Third International
Symposium on Ocean Wave
Measurement and Analysis to be
held in Virginia Beach, VA
November 3-7, 1997. Abstracts
must be submitted by February
3, 1997.**

FOUND

**A post office box key was found
outside Discovery. If it is yours,
please come to the main office
to claim it.**

**USPO Mail Info--To speed up
your mail delivery please follow
the new guidelines on back
page.**

Stony Brook

Mail Services
State University of New York at Stony Brook
Stony Brook, New York 11794-6999
telephone: (516) 632-6231

TO: Campus Community
FROM: Thomas A. LaRusso, Mgr Mail Services 
SUBJECT: Mail Classification Reform
DATE: December 10, 1996

Recently, the US Postal Service implemented mail classification reform that will enhance its ability to process mail through automated equipment.

To take advantage of reclassification, we will be required to prepare our mail following new guidelines to ensure that it gets to its destination in a timely and cost effective manner. Mail that doesn't reach the addressee causes delays, complaints, and added expense for everyone - the intended recipient, your department, Mail Services and the University of Stony Brook.

To prepare mail for automation, we should conform to Postal Services guidelines as follows:

- a) Type addresses or print legibly in uppercase letters (black or blue ink only).
- b) No punctuations - No periods, commas etc.
- c) Individual name or attention to MUST be above delivery address.
- d) Apartment or suite must be annotated on delivery address line, after the street address.
- e) Use proper abbreviations (eg; St, Dr, Ln).
- f) 5 digit zip + 4 code.
- g) Do not write anything below town\city, state, zip. This should be the last line in the address format.

IF YOU HAVE QUESTIONS OR COMMENTS ABOUT UNITED STATES POSTAL POLICIES,
PLEASE DO NOT HESITATE TO CONTACT THEM AT 1-800-725-2161.

HAPPY VALENTINE'S DAY

Employment Opportunities

The University of Dayton's Department of Geology in Ohio is seeking a non-tenure track nine-month Full Time Lecturer for the academic year 1997-1998 (8/97-5/98). Closing date for applications is March 1, 1997.

Sea Education Association out of Woods Hole, Massachusetts is seeking a staff scientist to teach oceanography ashore and abroad beginning as soon as August 1997. Application review will begin on March 1, 1997.

Opportunities

The Maryland Sea Grant College and NASA present Summer Fellowships in Remote Sensing of the Oceans June 2-August 20, 1997 for advanced undergraduates and beginning graduate students. Application deadline is April 10, 1997.

Ship time aboard the *R. V. Heart of Gold* out of Crystal River Florida is available to students who wish to take a variety of marine courses and learn SCUBA. Voyage dates are June 14-July 4 and July 5-July 25, 1997.

Conferences

The 4th International Marine Biotechnology Conference will be held in southern Italy September 22-29, 1997. For those who may wish to present a table-top exhibit, registration

deadline is April 30, 1997.

Information on this conference was received after the registration date for submission of abstracts or posters.

Special Notices

Are you interested in representing MSRC as a senator at the monthly Graduate Student Organization meetings? If so, please step forward!!

This department is in desperate need of a senator! Based on the number of enrolled graduate students, MSRC is allowed 2 senators and an alternate. The meetings are on campus, once a month, in the evening and dinner (i.e. Chinese food, subs, etc.) is offered at the start of each meeting.

Don't pass up this unique opportunity to shape university policies that directly effect your peers and yourself. For all of you new GA's, RA's and TA's out there: did you know that if it weren't for organizations such as GSO, you wouldn't have health insurance? Find out more about how you can make a difference by attending a meeting this Wednesday, February 12, 1997 at the Spot (the Graduate Student Lounge made famous by Pumice!). Food will be served at 6:45 pm and the meeting will begin at 7:15 pm.

Please see Sarah Griscom or Ly Williams for more information.

**Employment Opportunities
HURRY!!**

The Department of Environmental Quality, Site Response section of the Waste Management & Cleanup Division in Portland, OR seeks to establish a list of qualified applicants to use as openings occur. Applications must be received by the close date of February 15, 1997. For more info., please visit their website at <http://www.das.state.or.us/jobs/>

The Louisiana Universities Marine Consortium (LUMCON) announces an immediate opening for the technical staff of the LUMCON DeFelice Marine Center. Applications are due by March 15, 1997.

Student Opportunities

Save the Sound's Research and Education Department is seeking volunteer pilots, scientists, harbor coordinators, lab interns and summer interns to assist in a water quality testing project in the Long Island Sound.

Save the Sound also announces openings for a Summer Camp Program Director, Summer Camp Naturalists, and Summer Camp Assistant Naturalists in Stamford, CT. Applications are due before February 24, 1997.

If you are interested in the above programs, please come to the main office and take a look at the Save the Sound packet. Many opportunities are available with this organization and training dates are listed for future Save the Sound projects in which you may be interested.

Conferences

The American Geophysical Union, the Mineralogical Society of America and the Geochemical Society announce their 1997 Spring Meeting, which will be held May 27-30 in Baltimore, MD. Abstract deadline is February 27, 1997.

Preregistration deadline is April 25, 1997.

FOOD DRIVE PLEASE HELP

Next time you see a great "two for \$____" deal on non-perishables at your grocery store, please think of those less fortunate than you and bring something in for them. Drop boxes are located in Eileen Goldsmith's office (Challenger 155), Janice Barone & Bill Wise's office (Discovery 155) and the main office (Endeavour 145).

Employment Opportunities
Georgia Institute of Technology's School of Earth and Atmospheric Sciences seeks applicants for up to 5 tenure-track faculty positions. Candidate evaluations began 1/97 and will continue until positions are filled.

SUNY Maritime College has an opening for a tenure-track Assistant Professor of Oceanography for the Fall of 1997. No application deadline is given.

Save the Sound, Inc. has the following positions available in its Stamford, CT office:

- 1) Science/Habitat Restoration Consultant
- 2) Legal/Legislative Consultant
- 3) Advisory Board
- 4) Internships(unpaid)

Positions close 4/14/97 or when filled.

Project WISE (Women in Science & Engineering) seeks a Graduate Student for the position of Assistant Director to begin June or July 1, 1997. No application deadline is given.

Graduate and Undergraduate Women are sought for positions as summer counselors with Project WISE. Applications are due by April 4, 1997. Come to the main office, Endeavour 145,

for more details on both Project WISE job openings.

The Wells Reserve in Wells, Maine seeks a Reserve Manager. Application deadline is March 21, 1997.

Field Trip

The Long Island Geologists are offering a field trip on Saturday, June 14, 1997. Reservations are needed by Tuesday, June 10. The trip will include a 5 mile walk starting at the MSRC Laboratory at Flax Pond. More details are available in the main office, Endeavour 145.

Conferences

The Long Island Geologists announce their Preliminary Program, "Geology of Long Island and Metropolitan New York" to be held Saturday, April 19, 1997 at the ESS Building on main campus. Photos relating to the conference title (minimum size, 11" x 14") are sought for display. A prize will be offered for the best photo. Registration deadline is April 15, 1997.

Housing Available

A partly furnished, 4 bedroom house is available in Woods Hole for \$10-20 per day on a short term basis (until May 1). Call Sarah Griscom for details: 689-8823 or 2-8047.

Special Seminars

The Long Island Chapter of the Women's Aquatic Network (WAN) is pleased to present:

"Shellfish-Toxin Interactions"

Speaker: Dr. Sandra Shumway,
Professor from the
Southampton Campus
of the Long Island
University

When: Wednesday, March 12
Reception: 5:30pm
Speaker: 6:00pm

Where: MSRC's Endeavour
Hall, Room 120

Everyone is Invited!

FOOD DRIVE

Please contribute to our food drive. Any contribution however modest (i.e. a bar of soap) is welcome.

UPCOMING EVENTS

The next blood drive is April 3.

The next faculty meeting is March 31 at 10:30. Agenda items are due by March 25.

The Long Island Geologists announce a special seminar entitled:

"Covering Long Island's Environment for a Mass Audience Or How to Cram 10 Pounds of Sausage Within a 5 Pound Bag"

Speaker: Dan Fagin,
Environment and Energy
Reporter for Newsday and
co-author of the book
Toxic Deception.

When: Wednesday, March 19

Where: Rana's Caffè Alfresco
in Stony Brook

Note: Reservations are
required by Tuesday,
March 18, 1997.

Employment Opportunities
Save the Sound, Inc. has the following positions available in its Stamford, CT office:

- 1) Science/Habitat Restoration Consultant
 - 2) Legal/Legislative Consultant
 - 3) Advisory Board
 - 4) Internships(unpaid)
- Positions close 4/14/97 or when filled.

The University of California, Berkeley is soliciting applications for a full-time position of Diving Safety Officer. Closing date for the position is March 14, 1997.

The NY State DEC's Bureau of Finfish and Crustaceans seeks temporary, part-time, seasonal help. No application deadline is given.

The Shannon Point Marine Center, Western Washington University invites applications from PhD marine biologists for a one-half time Information Services Specialist. Applications are due by March 7, 1997.

The University of Maine's Cooperative Extension announces 2 summer openings for environmental camp counselors at Vaughn's Island 4-H Camp. Application deadline is April 18, 1997.

Woods Hole Oceanographic Institution is recruiting for Assistant, Associate, and Senior Scientists in Physical Oceanography. Applications are due by May 31, 1997.

Educational Opportunities
Oregon State University announces an opening for a PhD Student Position for the study of Bioenergetics of Piscivorous Waterbirds. Applicants must be available April 1997 to prep for field work.

The Marine Field Station at Rutgers University announces a postdoctoral position focusing on science management, fish early life history, habitats and recruitment processes. No deadline is given.

Conferences
The American Association of Petroleum Geologists will hold its annual convention April 6-9, 1997 in Dallas, TX. An Employment Information Center will be available on a "first come, first serve" basis for attendees applying before March 1, 1997. More details available in the Main Office, Endeavour 145.

The LOICZ Open Science Meeting on Global Change Science in the Coastal Zone will be held in the Netherlands, October 10-13, 1997. Applications must be

received no later than April 15, 1997.

The Second Gordon Research Conference on Coastal Ocean Circulation will be held June 15-20, 1997. at Colby-Sawyer College in New London, NH. No application deadline is listed.

Congratulations to the recipients of MSRC's Spring 1997 Student Travel Awards:

P. Michaloupoulos
Erika Magaletti
Ly Williams
Hudson Roditi
Silvio Pantoja
Liz Braga

Found

One earring was found in Endeavour. It is being held in the main office (Room 145).

We Want To Help

Southampton College Students seek summer internships. If you can help them out, please contact Pam Jackson, (516) 287-8272.

FOOD DRIVE

There is an urgent need for food and toiletries for the less fortunate. Please buy an extra can of soup, box of pasta, jar of sauce or bar of soap when you go shopping and then bring it to

the Main Office. Just one item contributed by each of us will make a difference to someone else's life.

UPCOMING EVENTS

The next blood drive is scheduled for April 3. Please save the date and pledge blood when asked. A blood drive captain is still needed for Discovery. If you can't donate blood, you can volunteer to be a captain!

The next faculty meeting is scheduled for March 31 at 10:30. Please give agenda items to Jeri by March 25.

The Fisheries Section at the Patrick Center for Environmental Research in Philadelphia seeks an experienced fishery biologist/fish ecologist for a Staff Scientist position. Position will remain open until filled.

Graduate Research Assistantships and Post-Doctoral Research Associates are available from the University of Southwestern Louisiana for the Fall of 1997. No deadline is given.

NYS Civil Service exams will be held on 6/7/97 for the titles of Marine Resources Specialist Trainee 1 (\$25,336/yr) and Marine Resources Technician 1 (\$20,002/yr) and 2 (\$23,729/yr). These positions are typically found within the Bureau of Marine Resources of the State Department of Environmental Conservation (DEC). You must apply to take these qualifying examinations. See the bulletin board outside the office of Bill Wise & Janice Barone for details.

HURRY!

Gordon Taylor announces the immediate availability of an RA position in Estuarine Microbiology, Microplankton Dynamics and Carbon Cycling in the Hudson River Estuary. Interested parties should see

Dr. Taylor in Endeavour 161 (2-8688) for details.

Research Positions are available from the Center for Marine Biotechnology and Biomedicine. Applications are due by 6/1/97.

Massachusetts' Manomet Center for Conservation Sciences seeks Fisheries Observers on the East Coast. Applicants should be able begin work 5/12/97.

Maryland Department of the Environment announces graduate internships in Marine Sciences mid-May through August. Closing date is 5/2/97.

The Center for Coastal Studies at the University of Massachusetts-Lowell provided the main office with its Summer Institute Program listing for 1997. Feel free to stop by and check it out.

The University of MD's Horn Point Envtl. Lab announces a full-time research assistant position (with benefits) that is currently funded for four months beginning 6/1/97, but with possible long-term continuation. Application deadline is 5/9/97.

The Department of Geology at the University of IL announces a tenure-track, Assistant Professor position in

environmental mineralogy or environmental geochemistry to begin 8/97. Applications must be received by 5/23/97.

CONFERENCE

The Geological Society of America announces a call for abstracts for its Annual Meeting in Salt Lake City, Utah, 10/20-23/97. Abstract deadline is 7/8/97.

HOUSING NEEDS

Ed Carpenter (MSRC faculty) and his wife will be coming back to Stony Brook on 6/1/97 and staying until 6/12/97. Can anyone help them with housing for this time period?

UPCOMING EVENTS

Reminder--John Ogden, the fourth candidate for Dean and Director, will visit the Center on Thursday and Friday, May 8 and 9. His schedule will be finalized next week and you will be notified of the appropriate meetings.

FOOD DRIVE

Please don't forget about our on-going food drive. You don't have to spend a lot; just buy a can of soup or a box of pasta. Added to what someone else brings in, it will provide a meal for a hungry family. Contributions can be dropped off in the main office.

UNIVERSITY ANNOUNCEMENTS

The Director of Conferences and Special Events asks that the campus community cooperates to help commencement (Friday, 5/16/97) flow as smoothly as possible. Copies of the Director's letter will be posted in the mailroom, but highlights include:

1) To be able to park near their usual spots, all faculty and staff are urged to arrive on campus no later than 8:30 am.

2) The main ceremony ends at 12:40 pm. Traffic will become quite congested. You may want to time your exit from campus (i.e., for lunch, etc.) accordingly.

This would be a great day to ride your bike in or carpool to campus! Why not give it a try?

Volunteers are needed to help with the University Commencement Ceremony. Interested parties should call Ann Forkin at 2-6320.

Jobs & Opportunities
More detailed information about the following listings is available in the Main Office: Endeavour 145

Also, check the Mail Room Bulletin Board over the summer for more jobs & opportunities.

The UK Darwin Initiative has awarded the Royal Botanic Gardens bursaries for two Darwin Fellowships to work near London on Biodiversity. Applications are due by June 15, 1997.

The DePaul University seeks an Aquatic Biologist to teach undergrads and possibly do research. No application deadline is given.

The Patrick Center for Envtl. Research (Academy of Natural Sciences of Philadelphia) in PA seeks a full time freshwater fisheries staff scientist. No application deadline is given.

Geovation Consultants, Inc. seeks a Field Technician for ground water and soil sampling, etc. for the Summer of 1997 in rural North Carolina. No application deadline is given.

Ridgefield Public Schools (in CT) has many teaching and academic vacancies for the 1997-98 school year. Please

stop by the main office for full listing of vacancies. No application deadlines are given.

The Ecosystems Center of the Marine Biological Lab is seeking a year round Fisheries Research Assistant for summer work in Alaska and winter work in MA. Applications are reviewed continuously until suitable candidate is found. Applicants should be ready to work by late June.

HELP!

Allison Thomas, a Zoology major/Marine Science minor from SUNY Oswego, is on Long Island for the summer and is hoping to help out in someone's lab. If you can use some help in your lab, please contact her at: (516) 281-6485.

Mark Kessel, a fisheries major at Virginia Tech who has worked for 2 years with Cosper Environmental Services seeks part-time aquatic-related work. Mark has an associates degree in Science Lab Technology and can be reached at (516) 724-5564.

CONFERENCE

New York State Museum Geological Survey and Northeastern Science Foundation, Inc. will hold the AAPG Sidney Powers Memorial Meeting in Troy, NY on June 18, 1997.

A seminar entitled "Managing the Environmental Clean-up, Legal/Insurance/Planning" will be held at the Crest Hollow Country Club on June 19. Registration deadline is June 5.

The 69th Annual NYS Geological Assn. meeting, hosted by Hamilton College, Clinton, NY, will be held September 26-28, 1997. The main office has a brochure describing field trips and workshops.

SET SAIL!

Join Friends of Fishes on the Hudson River Sloop Clearwater for a sunset tour of NY Harbor. Cost is \$125.00/person and payment is needed by June 10.

FOOD DRIVE

Father's Day will soon arrive. Help someone else as a tribute to your Dad! Contributions may be left in the Main Office.

CONGRATULATIONS!

Hooray for Lynn Biachet's daughter, Kerry, who was just named valedictorian at Miller Place High School!

SOUNDINGS STILL ON SUMMER SCHEDULE

Soundings is being published on a monthly basis for the summer. Items for July should be submitted by June 27.

Jobs & Opportunities
Always check the Mail Room Bulletin Board for more jobs & opportunities.

SUNY has a small amount of tuition waiver money that has been allocated for use by full-time research employees. An application should be submitted to Human Resource Services Benefits by 8/15/97.

The Hudson River Foundation announces a call for proposals for 1998. Application deadlines are as follows:

Research Grant Proposals:

Pre: 9/15/97

Full: 11/21/97

Graduate Fellowships:

3/9/98

Tibor Polgar Fellowships:

3/9/97

The Universities Space Research Assn. seeks postdocs or visiting scientists for collaboration on a climate prediction project at NASA's Goddard Program in MD. Application deadline is 8/29/97.

The US Dept. of Commerce announces an opening for an Optoelectronics Engineering Technician in Boulder CO. Closing date is 8/29/97.

The University Corporation for Atmospheric Research (UCAR) is seeking a visiting scientist interested in microwave remote sensing of the ocean surface wind field. Application deadline is 10/15/97.

The Hempstead Harbor Protection Committee announces an opening for a part-time coordinator. Application deadline is 8/31/97.

The Maryland Sea Grant College announces an opening for an assistant director for research. Application deadline is 9/19/97.

SPECIAL EVENT

The WWII Liberty Ship S.S. John W. Brown will be visiting Greenport 8/15-19/97. She has been restored by a crew of volunteers who are anxious to show her off. Come on out and visit! More info. at: www.liberty-ship.com

CONFERENCES

The Annual National Conference of the American Shore & Beach Preservation Association will be held in Happaugue, NY from October 13-15.

Duke University announces the fourth annual conference, "Medicine for the Third World Traveler" 10/23-26/97 (Register by 10/2/97). Topics that may be of particular relevancy to folks

at MSRC include "Dangerous Marine Animals" and "Divers Alert Network". Also, Duke is offering an intensive Environmental Education course 9/22-27/97 (Register by 9/2/97).

The 6th international congress on the history of oceanography will be held August 15-20 in Qingdao, China.

CONGRATULATIONS!

Welcome to MSRC's newest water babies:

Baby Rory Bentley
Baby Richard Sommerfield
and Puppy Kenai Williams

HELP!

Does anyone have access to a Poloroid camera that can be used to take photos to update the Rogue's Galley Photographs in Endeavour?

LIVE IT UP!!

Happy Birthday to all of the Leo babies-you know who you are!

More detailed information
about the following listings
is available in the Main
Office: Endeavour 145

Also, check the Mail Room
Bulletin Board over the
summer for more jobs &
opportunities.

The National Museum of Natural
History is offering 10 week
summer internships for
undergraduates for the summer
of 1998. If you are interested,
see their posting in the
mailroom.

HELP!

The folks at the Ad House in Port
Jefferson are seeking a
housemate. Rent is \$240/month
+ 1/5 utilities. If you are
looking for housing and 4 nice
housemates, give them a call:
928-6479.

Ritin Khan, a tenure track
professor at Atlantic State
University's Biology Department,
will be in the area for one year
and is seeking temporary
employment for this time. He
can be reached at (912) 921-
2071.

Jianbin Mao, a graduate student
majoring in Psychology and
Biology is seeking summer
employment. She can be
reached at (516) 366-3720 or
jmao@psych1.psych.sunysb.edu.

Rachel Foster will be a new
student at MSRC in the Fall of
1997. She is seeking
housing/housemates. If you
can help her, please call (410)
433-5105.

Tiffany Moisan will be arriving
at MSRC in December of 1997
and would like to assist
someone here at the Center.
She has oceanography
experience from Old Dominion
and Scripps. If you can find
some work for her, please stop
by the main office to review her
cv.

Sail the Tall Ships with
Soundwaters of Connecticut on
June 28 & 29. Call 203-323-
1978 for more information.

CONFERENCES

The Glen Cove Community
Development Agency invites us
all to join them for a conference
they are hosting in Glen Cove,
NY: "Orchestrating Both Coasts
for a Better Sound".
Reservations are necessary. If
you are interested, please call
516-676-1625.

FOOD DRIVE

Celebrate your independence!
Enjoy your freedom to help
those less fortunate than you!
Please bring non-perishable
food donations to the main
office, Endeavour 145, where
they will be forwarded to needy
families.

MSRC's own David Tonjes. The tour will be held on Sat. 9/20/97. Interested parties please RSVP by 9/16/97.

The Annual National Conference of the American Shore & Beach Preservation Assn. announces this year's focus: Coastal Science and Management: Making Coastal Research Count. The Conference will be held 10/13-15/97 in Hauppauge, NY. Advance registration at a reduced rate ends 9/15/97.

The Fourth Marine & Estuarine Shallow Water Science & Management Conference will be held in Atlantic City, NJ on 3/15-19/97. Abstracts are due by 10/10/97.

CONGRATULATIONS!!

**Welcome to MSRC's newest water baby: Kaila Magda Conley-Conversi!
Congratulations, Daniel and Alessandra!**

Congratulations to Bob Cess, whose restored cars stole the show at the 17th Annual Vanderbilt Invitational Concourse on August 24th! Bob's 1969 Alfa Romeo Spider Veloce took First in Class and his 1959 Alfa Romeo Giulietta Sprint took First in Class and Best in Show!

FOOD DRIVE

Begin the school year off with a gesture of kindness! Please bring non-perishable food donations to the main office, Endeavour 145, where they will be forwarded to needy families.

Welcome back, new and returning students!!

Welcome back, Joanne!

JOBS & OPPORTUNITIES

The New York State Assembly is offering paid Graduate Internships in Albany from 1/5/98-6/24/98. Application deadline is 11/3/97.

Also offered are paid Session Internships in Albany from 1/5/98-5/15/98. Application deadline is 10/9/97.

HELP!

Recording for the Blind and Dyslexic urgently needs volunteers with strong scientific backgrounds and education, to record specialized textbooks for its reading impaired borrowers. All it takes is two hours per week at the center's new midtown Manhattan location (45th & 5th). The hours are flexible, including both day and evening sessions (Mon-Sat). It takes only a little time to make a great deal of difference in the lives of borrowers, who rely on our tapes to succeed in their studies and their professions. More info is available in the main office (End 145) or see Adria Elskus (Dana 151, 2-8772).

A room near campus is needed for a visiting researcher from mid-October to early December. Call Val Gerard at 2-8675 if you can help.

Theodore Goldfarb in the Chemistry Department has a house close to campus for rent from 1/26-6/30/98. He can be reached at 2-7908, 751-1117, or tgoldfarb@sunysb.edu.
