**SYNC** is an annual linguistics conference that serves as a platform for graduate students from **S**tony Brook, **Y**ale, **N**YU, and **C**UNY to disseminate research results, exchange ideas, and more broadly, foster a sense of community. **SYNC** is in its 20th year.

The scope of **SYNC** includes all areas of theoretical and applied linguistics, reflecting the local linguistics community's broad research interests.

Keynote speaker:

**Thomas Graf**

Department of Linguistics,  
Stony Brook University
